

AEA FRIDAY LEADERSHIP MESSAGE

Executive Director's Message

Dear AEA Families:

Next week is Fall Break, and our schools will be closed November 21 through November 25. This is an opportunity for each of us to pause and give thanks for all the gifts we have in our lives, the most important of which are family and friends. I personally am thankful for and proud of our AEA community and its collective commitment to educating all children. I wish you all a wonderful Thanksgiving holiday!

Respectfully,

Dr. Sciarretta

AEA Executive Director

Elementary School Highlights and Messages:

Upcycle! Please help us work towards a greener future!

We are happy to announce to you that our Upcycle Corner, located in the hallway of the east building, is up and running for the 2016-17 school year. The teachers have already been informed and we hope that all classes will be able to contribute to this project. Of course, we also want to invite you to drop off your upcyclable items at school.

We have collection bins for:

- crayons
- markers (Crayola and other brands, including dry erase markers and highlighters)
- pencils
- glue sticks
- cardboard rolls (toilet paper and paper towels)
- plastic lids
- egg cartons
- empty gardening 6 packs (cleaned out)
- corks

Reduce your family's carbon footprint! Why?

Your donations will help facilitate creative projects using crayons and cardboard rolls that Mary Shannon Heinzlmann, our art teacher, plans to do with our children. In addition, AEA mom Terri Hughes-Oelrich will pick up our collections of pencils and glue sticks for her art students at City College.

Moreover, we have a special upcycle program for markers. Our school is now part of Crayola's ColorCycle program, an initiative that repurposes markers into clean-burning fuel. You can find out more about Crayola's green initiatives here: <http://www.crayola.com/about-us/company/green-initiatives.aspx>

We will also be presenting educational materials about recycling. Please stay tuned for where and when to find them.

Happy upcycling!

The "Upcycle Moms" – Fini (Stefanie Orlamuende-Cosby) and Feli (Felicita Jaima)
