### School Description

From its humble beginnings with 27 students in the basement of a church, Albert Einstein Academy Charter Elementary School (AEACES) has evolved into an innovative, academically accomplished, well-managed charter school in the heart of the San Diego Unified School District. The demographics of the student population have become more diverse over our 14 years, reflecting the school's international focus. There are currently over 800 students enrolled in grades K–5. AEACES, the first authorized International Baccalaureate (IB) Primary Years Program school in San Diego County, offers an international education through dual-language immersion in German and English. Starting in grade 3, we offer an additional educational model in which German is taught as a second language rather than through dual-language immersion.

AEACES's mission is to educate children to thrive and contribute as active thinkers in the world. AEACES nurtures, cultivates, and inspires multilingual, critical thinkers who are well- rounded, responsible, global citizens uniquely prepared to thrive, lead, and create positive change in the twenty-first century.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

AEACES is an IBPYP school with 6 Units of Inquiry taught in each grade level. Although we do have some textbooks, much of our curriculum is taught through literature, trade books, digital portal resources, online programs and resources, and sources other than textbooks. It is the belief that providing students with a variety of materials and published media allows for the development of a well-rounded student who is able to become an inquirer able to research independently.

Textbooks and Instructional Materials Year and month in which data were collected: January 2017	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	SIPPS (Systematic Instruction in Phonological Awareness, Phonic, and Sight Words) The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Mathematics	Ready Math (Curriculum Associates) and GO Math (Houghton Mifflin Harcourt) The textbooks listed are from most recent adoption: Yes Percent of students lacking their own assigned textbook: 0
Science	Harcourt Science, Materials to support the IBPYP Curriculum The textbooks listed are from most recent adoption: No Percent of students lacking their own assigned textbook: 0
History-Social Science	McGraw Hill, Materials to support the IBPYP Curriculum The textbooks listed are from most recent adoption: No Percent of students lacking their own assigned textbook: 0
Foreign Language	Variety of German Instructional Materials

### School Facility Conditions and Planned Improvements (Most Recent Year)

The facility ranks in "fair" to "good" repair status for all major systems. Facilities main systems (HVAC, Electrical, Plumbing, Flooring and Painting) are maintained by San Diego Unified School District. Safety and maintenance operations are regularly checked and we emphasize cleanliness and the effective working order of all systems.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: 1/2016		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Fair	Ongoing maintenance of HVAC due to age of system
<b>Interior:</b> Interior Surfaces	Good	
<b>Cleanliness:</b> Overall Cleanliness, Pest/ Vermin Infestation	Good	
<b>Electrical:</b> Electrical	Good	
<b>Restrooms/Fountains:</b> Restrooms, Sinks/ Fountains	Good	
<b>Safety:</b> Fire Safety, Hazardous Materials	Good	
<b>Structural:</b> Structural Damage, Roofs	Fair	Some leaking in heavy rains
<b>External:</b> Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
<b>Overall Rating</b>	<b>Good</b>	

### B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	44.0	56.0	53.0	55.0	48.0	50.0
Math	46.0	55.0	43.0	45.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the

standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	10.2	33.9	46.5

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

English Learners	114	111	97.37	34.23
Students with Disabilities	44	43	97.73	20.93

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2018-19)

AEACES encourages parents and community members to participate in a myriad of activities throughout the year, with the ultimate goal of increasing student achievement. Family members are invited to participate as classroom volunteers, serve on various planning and fundraising committees, supervise field trips, organize and implement special community events, participate in Parent University, and help support with a variety of other organizational needs. Detailed information concerning volunteering and other opportunities for participation will be provided to the parents throughout the year through our school website, teacher websites, Friends of AEA weekly e-mails, and regular e-mail communication from the administration.

If you want to get involved, please contact the school office at (619) 795-1190.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

Campus safety is our top priority. Principals, teachers, support staff, parents and the community work together to prevent, prepare, and respond to emergency situations. To ensure safety and security, our schools have individualized safety plans that are reviewed and updated regularly. School staff members participate in regular emergency-preparedness fire, earthquake and lockdown drills and response training. Policies and procedures are in place to address safe entry and exit of students; serious disciplinary problems; discrimination, harassment and bullying; mandated child abuse reporting procedures; and school dress codes.

AEACES maintains a safe and secure campus environment through qualified teacher and staff supervision of students before, during, and after school hours. All campus visitors are logged in the main office via a computerized monitoring system as they enter and exit. AEACES offers extended-day opportunities for students that include academic support and social enrichment activities.

AEACES requires all students to wear school uniforms. We believe these uniforms create a collective commitment to appropriate behavior and academic achievement, as well as increase student safety on our campus. A positive school climate is reinforced through observance of ten International Baccalaureate Learner Profile traits, which emphasize intellectual curiosity and active citizenship. These traits are incorporated into public art installations throughout the school.

5	21	24	25	5			1	7	7			

\* Number of classes indicates how many classes fall into each size category (a range of total students per class).

### Professional Development provided for Teachers

AEACES is committed to ongoing professional development. All teachers are offered both on-site and off-site opportunities to positively impact teaching and learning. All teachers are trained as International Baccalaureate Primary Years Program (IBPYP) teachers, and extensive training is done to ensure all are able to successfully implement the California Common Core State Standards and Next Generation Science Standards. In addition, because AEACS is a 50/50 German-English immersion school, teachers are trained in strategies and best practices to promote and support second language acquisition within the dual language immersion model.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
