A6: Education for Homeless Children and Youth Policy

The Albert Einstein Academies (“AEA” or the “Charter School”) Governing Board desires to ensure that homeless children and youth are provided with equal access to its educational program, have an opportunity to meet the same challenging State academic standards, are provided a free and appropriate public education, are not stigmatized or segregated on the basis of their status as homeless, and to establish safeguards that protect homeless students from discrimination on the basis of their homelessness.

Definition of Homeless Children and Youth

The term “*homeless children and youth*” means individuals who lack a fixed, regular and adequate nighttime residence and includes children and youth who (42 U.S.C. § 11434a):

1. Are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;
2. Have a primary nighttime residence that is a public or private place not designed for or ordinarily used as regular sleeping accommodations for human beings;
3. Are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings; and/or
4. Migratory children and unaccompanied youth (youth not in the physical custody of a parent or guardian) may be considered homeless if they meet the above definition of “homeless.”

Homeless status is determined in cooperation with the parent or guardian. In the case of unaccompanied youth, status is determined by the Charter School Liaison.

Enrollment

AEA shall immediately admit/enroll the student for which the Charter School is a School of Origin. “School of Origin” means the school that the child or youth attended when permanently housed or the school in which the child or youth was last enrolled.

AEA shall also immediately enroll a homeless youth who seeks to enroll in the Charter School, if the youth would otherwise be eligible to attend and subject to the Charter School’s capacity and pursuant to the procedures stated in the AEA charter and Board policy. A homeless youth who is enrolled will have the right to attend classes and participate fully in school activities, including extracurricular activities.

The youth shall be immediately enrolled even if the student lacks records normally required for enrollment (such as previous academic records, records of immunizations, other required health

records, proof of residency) or has missed application or enrollment deadlines during any period of homelessness. Records will immediately be requested from the previous school. (42 U.S.C. § 11432(g)(3)(C); Education Code Section 48850(a)(3)(A).)

If the student needs to obtain immunizations or does not possess immunization or other medical records, the Superintendent or designee shall refer the parent/guardian to the Charter School Liaison. The Charter School Liaison shall assist the parent/guardian in obtaining the necessary immunizations or records for the student. (42 U.S.C. § 11432(g)(3)(C).)

A homeless youth may remain in the student's school of origin for the entire period for which the youth is homeless. If a youth obtains permanent housing during an academic year, the youth will be permitted to remain in the school of origin through the end of the academic year.

Enrollment Disputes

If a dispute arises over admissions/enrollment, the student shall be immediately admitted (subject to Charter School's capacity and pursuant to the procedures stated in the Charter School charter and Board policy), pending final resolution of the dispute, including all available appeals. The parent/guardian shall be provided with a written explanation of the admission/enrollment decision, including an explanation of the parent/guardian's right to appeal the decision. The parent/guardian shall also be referred to the Charter School Liaison. The Charter School Liaison shall carry out the Board-adopted dispute resolution and complaint process as expeditiously as possible after receiving notice of the dispute. (42 U.S.C. § 11432(g)(3)(E).)

Housing Questionnaire

AEA shall administer a housing questionnaire for purposes of identifying homeless children and youth. AEA shall ensure that the housing questionnaire is based on the best practices developed by the CDE. AEA shall annually provide the housing questionnaire to all parents/guardians of students and to all unaccompanied youths at AEA. The housing questionnaire shall include an explanation of the rights and protections a student has as a homeless child or youth or as an unaccompanied youth. The housing questionnaire shall be available in paper form. The housing questionnaire shall be available in the primary language other than English spoken by fifteen (15) percent or more of the students enrolled at AEA and shall be translated into other languages upon request of a student's parent/guardian or an unaccompanied youth. AEA shall collect the completed housing questionnaires and annually report to the CDE the number of homeless children and youths and unaccompanied youths enrolled. (Education Code Section 48851.)

Comparable Services

Each homeless child or youth shall promptly be provided services comparable to services offered to other students in AEA such as (42 U.S.C. § 11432(g)(4)):

- Transportation services
- Educational services for which the child or youth meets eligibility criteria, such as educational programs for students with disabilities and educational programs for students with limited English proficiency
- Charter School nutrition programs

Transportation

In the event that AEA provides transportation services to all AEA students, AEA shall provide comparable transportation services to each homeless child or youth attending AEA, as noted above. (42 U.S.C. § 11432(g)(4).)

If the AEA does not otherwise provide transportation services to all AEA students, AEA shall ensure that transportation is provided for homeless students to and from AEA, at the request of the parent or guardian (or Charter School Liaison), if AEA is the student's school of origin. (42 U.S.C. § 11432(g)(1)(J).) Transportation provided by AEA will be adequate and appropriate for the Student's situation, but AEA does not commit to any one method of transportation for all youth. This includes but is not limited to providing free trolley/bus vouchers to homeless students as needed.

Professional Development

All administrators, teachers and employees of AEA, including the Charter School Liaison, will be provided professional development on the identification, services, and sensitivity necessary when dealing with homeless children and youth. The Charter School Liaison will send verification that the Charter School is providing the required training to school personnel providing services to youth experiencing homelessness at least annually. (Education Code Section 48852.5(c)(2).)

Notice

For any homeless student who seeks enrollment at the Charter School, written notice will be provided to the parent/guardian at the time of enrollment and at least twice (2) annually while enrolled at the Charter School. This notice must be signed by the parent/guardian. The notice

must outline general rights, include the name of the Charter School Liaison with contact information, and specifically state that (1) the choice of schools homeless children and youth are eligible to attend; (2) that no homeless student is required to attend a separate school for homeless children; (3) that homeless children and youth shall be provided comparable services; and (4) that homeless children should not be stigmatized by Charter School personnel. (42 U.S.C. § 11432(e)(3)(C).)

Annual Policy Review

The Charter School shall annually review and revise any policies that may act as barriers to the identification of homeless children and youths or the enrollment of homeless children and youths at the Charter School. In reviewing and revising such policies, consideration shall be given to issues concerning transportation, immunization, residency, birth certificates, school records and other documentation, and guardianship. Special attention shall be given to ensuring the identification, enrollment, and attendance of homeless children and youths who are not currently attending school.

School Website Posting

AEA shall ensure that the following information is posted, and updated as necessary, on its internet website:

- The name and contact information of the Charter School Liaison(s) for homeless children and youths.
- The contact information of any employee or contractor that assists the Charter School Liaison in completing the liaison's duties.
- Specific information regarding the educational rights and resources available to persons experiencing homelessness.
