A. Child Abuse Reporting Procedures

Albert Einstein Academies employees are required to complete mandated reporter training annually using the online training module provided by the State Department of Social Services. The School Personnel training satisfies the requirements of AB 1432. This training will include information that failure to report an incident of known or reasonably suspected child abuse or neglect, as required by Penal Code section 11166, is a misdemeanor punishable by up to six (6) months confinement in a county jail, or by a fine of one-thousand dollars (\$1,000), or by both that imprisonment and fine. All employees must provide proof of completing the training to the AEA Human Resources Department within the 45 days of each school year and within the first 45 days of that employee's employment.

California law defines child abuse as any of the following:

- A child is physically injured by other than accidental means.
- A child is subjected to willful cruelty or unjustifiable punishment.
- A child is abused or exploited sexually.
- A child is neglected by a parent or caretaker who fails to provide adequate food, clothing, shelter, medical care or supervision.

If you suspect that a child has been, or is in danger of, abuse or neglect contact the San Diego County Child Protective Services Child Abuse Hotline at (858) 560-2191 or (800) 344-6000. You may also contact the San Diego Police Child Abuse Department at (619) 531-2260.

When a referral is received, the social service staff obtains facts from the person making the referral to determine if the referral alleges abuse, neglect, or exploitation. The Emergency Response staff determines if an in-person response is indicated. Whenever a report indicates the need for protection, Child Protective Services will:

- Accept the case
- Intervene in the crisis, if required
- Apply Family Preservation and Support Services for some families
- Assess or identify problems, gather facts and clarify the problems
- Plan and provide services, set goals, identify resources and timeframes
- Document the case
- Terminate the case or transfer it to another program

1. Check in with Operations Section Leader for sweep area assignment and master keys.
2. Get a walkie-talkie from office staff, if available. Take all other supplies needed.
3. Initiate sweep of your designated area (see Sweep Map)
4. If possible, sweep teams will sweep the campus in pairs, checking all rooms including storage areas, bathrooms, hallways, etc.
5. Assigned areas will be explored visually, vocally, and physically.
6. Proceed as quietly as possible in order to hear calls for help.
7. Upon entering an area, call out and wait for an answer. Then proceed with inspection of that area. If safe, actively search through the rubble.
8. Upon discovery of an injured person unable to walk, one member of the team is to remain with the individual while the other summons aid.
9. If possible, maintain communication with Site Command Post and First-Aid Team in case injuries occur or are discovered and to ensure that rescue aid is provided to those most in need.
10. Clearly mark each door with an X in masking tape (white means everything is okay, red means the victim is in the room) after inspection is completed.
11. Sweep teams should always defer to directions from emergency personnel.
12. If fatalities occur, all bodies should be moved only at the direction of the Incident Command Post.
13. When search and rescue is complete, check in at the Incident Command Post for the next assignment.

OPTIONAL EMERGENCY DRILL PLANNING CALENDAR

The purpose of conducting monthly drills is to practice the efficiency and effectiveness of specific emergency procedures. Therefore, every drill should be evaluated for what worked and what did not and procedures should be modified as necessary. Staff should be notified of any problems or changes in procedure prior to the next scheduled drill.

The calendar below may be used to assist schools in scheduling a variety of drills to improve the site's emergency response protocols.

SITE EMERGENCY PROCEDURES FOR SPECIAL NEEDS STUDENTS

1. Procedures for special needs students may need to be implemented in emergency situations such as fire, earthquake, bomb threats, etc.
2. At the beginning of each school year, an Individual Emergency Procedures Plan must be completed to accommodate each student who requires additional assistance due to a disability. This includes students with physical impairments who may require:
 - a wheelchair on a daily basis
 - specialized equipment
 - physical assistance to evacuate in a timely manner
3. Each plan requires that support staff be designated as specialized assistants during times of emergency.
4. The Site Safety Specialist is responsible for:
 - identifying all students who will require additional assistance
 - working with the designated certificated staff (classroom teachers) and the principal to ensure that coverage and a plan is completed for each student

*** Since new students may arrive at any time during the school year, this assignment will be continuous throughout the year.**

5. Use the format below to complete an Individual Emergency Procedures Plan for each special needs student. Place a copy of the plans in the Site Emergency Operations Plan and with the individual classroom teacher's emergency materials. (class roster, etc.)

GENERAL EMERGENCY ACTIONS

Emergency Actions are a set of simple directives and alert level procedures that may be implemented across a number of emergency situations. When an emergency occurs, it is critical that staff members take immediate steps to protect themselves and others. With Emergency Actions in place, staff can follow specific directions without having to learn extensive protocols for each of several dozen different emergency situations. The Incident Commander will decide which Emergency Actions to implement, based on the situation.

The most common immediate emergency actions below are listed below. Staff members must become familiar with each emergency action and be prepared to perform assigned responsibilities. All students must be taught what to do when any of the common emergency actions are implemented.

Type	Definition
STATUS	ALL CLEAR communicates to students and staff that the emergency is over and normal school operations can resume.
	EMERGENCY DAMAGE ASSESSMENT is the inspection process used immediately following an emergency (typically will students and staff are under an EVACUATION order) to determine if it is safe to resume occupancy of school facilities. An EMERGENCY DAMAGE ASSESSMENT should be performed following any event with the potential to cause damage to school facilities or equipment.
RESTRICTED MOVEMENT & ACCESS	<p>LOCKDOWN is initiated to isolate students and school staff from danger on or near the campus when movement within the school and within rooms on the campus might put students and staff in jeopardy. LOCKDOWN is used to prevent intruders from entering occupied areas of the buildings.</p> <ul style="list-style-type: none"> ● Lock the doors; ● Close and lock windows, and close blinds or cover windows; ● Turn off lights; ● Silence all electronic devices; ● Remain silent; ● Implement A.L.I.C.E. training and strategies when possible. ● Use strategies to silently communicate with first responders if possible, ● Hide along the wall closest to the exit but out of the view from the hallway (allowing for an ambush of the intruder and for possible escape if the intruder enters the room); and ● Remain in place until the release from lockdown by school administration or evacuated by law enforcement.
	<p>SECURE CAMPUS is implemented as a precautionary measure to ensure the safety of students and staff when there is danger in the surrounding community or a bomb threat is made against the school. SECURE CAMPUS requires that all students and staff take shelter in school buildings and lock all exterior doors. Classroom instruction and/or activity may continue as long as all classroom and office doors are locked and all students and staff remain inside through the duration of that event. The school perimeter should be secured.</p>
	<p>SHELTER IN PLACE is implemented when there is a need to isolate students and staff from the outdoor environment to prevent exposure to airborne contaminants. The procedures include closing and sealing doors, windows and vents; shutting down the classroom/building heating, ventilation and air conditioning</p>

	<p>systems to prevent exposure to the outside air; and turning off pilot lights. SHELTER IN PLACE allows for the free movement of staff and students within the building, although one should not leave the room until further instructions are received. Those in bungalows and buildings with exterior passageways must remain in the classroom while SHELTER IN PLACE is instituted. It is appropriate for, but not limited to, gas leaks, external chemical release, dirty bombs and hazardous material spills.</p> <p>TAKE COVER is implemented when it is necessary to move to and take refuge in the best shielded areas within the school buildings. It is appropriate for, but not limited to, severe windstorms and tornadoes.</p> <ul style="list-style-type: none"> ● Move students and staff into the school’s permanent buildings, on the ground floor. ● Group students/staff together at the furthest point away from windows on the floor. <ul style="list-style-type: none"> ✓ Face the wall with backs to the windows ✓ Crouch down on knees and elbows ✓ Hands covering the back of their head/neck ● If a tornado warning or potentially damaging windstorm occurs at dismissal, delay dismissal. An order to TAKE COVER should remain in place until the National Weather Service has lifted the warning. <p>drop, COVER AND HOLD ON is the action taken during an earthquake to protect students and staff from flying and falling debris. drop, COVER AND HOLD ON is an appropriate action for use during an earthquake or explosion. Immediate EVACUATION and an EMERGENCY DAMAGE ASSESSMENT must be performed prior to occupancy of any of the site’s buildings, following any event prompting the use of drop, COVER AND HOLD ON.</p>
EVACUATION	<p>EVACUATION is implemented when conditions make it unsafe to remain inside the building(s). This action provides for the orderly movement of students and staff along prescribed routes from inside school buildings to a designated outside area of safety.</p> <p>OFF-SITE EVACUATION is implemented when it is unsafe to remain on the school campus, and evacuation to an off-site assembly area is required. This action provides for the orderly movement of students and staff along prescribed routes from inside school buildings to a designated area of safety off campus. In some situations OFF-SITE EVACUATION may require the use of busing. STRUCTURED REUNIFICATION should be used following any OFF-SITE EVACUATION.</p> <p>EARLY RELEASE Certain situations may require releasing students from school at a time when parents expect their children to be at the school site. EARLY RELEASE may be implemented when circumstances make keeping students at school inadvisable. EARLY RELEASE must be authorized by the LEA superintendent or designee. During an EARLY RELEASE, students follow normal dismissal procedures.</p>
REUNIFICATION	<p>STRUCTURED REUNIFICATION is the process used to reunify children with their parents, guardians or caregivers, following a school emergency. Regular dismissal procedures are not followed. STRUCTURED REUNIFICATION requires:</p> <ul style="list-style-type: none"> ● Maintaining accurate information on the location of each child. ● Preventing unauthorized individuals from having access to or removing children. ● Verifying the identity of individuals coming to take custody of children. ● Verifying each individual has the legal right to take custody of the child for which they have asked. ● Keeping record of who each student is released to, the method used to verify their identity and the time of the pick-up.

ALL CLEAR is used to conclude other immediate actions taken upon an emergency to notify staff and students that normal school operations can resume. **ALL CLEAR** signifies that the emergency is over. This is the final ACTION used to conclude the following actions:

- drop, **COVER** and **HOLD ON**
- **SHELTER IN PLACE**
- **EVACUATION** and **REVERSE EVACUATION**
- **STANDBY**
- **TAKE COVER**
- **LOCKDOWN**

ANNOUNCEMENT:

1. Make the following announcement in person directly or over the public address system:

Example: “**Your attention please.** (Pause) **ALL CLEAR.** (Pause) **ALL CLEAR.** (Pause) **ALL CLEAR.** (Pause) **It is now OK to resume normal school activities. Thank you all for your cooperation.**”

2. Use messengers with oral or written word as an alternate means of staff notification (SchoolMessenger).
3. Use Parent Telephone Notification System, if appropriate (SchoolMessenger).

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Determine that the emergency is over and it is safe to resume classes. It may be necessary to talk to first responders to make this determination.
- Make the **ALL CLEAR** announcement.
- Send home with students for their parents/guardians a brief written description of the emergency, how it was handled and, if appropriate, what steps are being taken in its aftermath.

STAFF ACTIONS:

- As soon as the **ALL CLEAR** announcement has been made, return to the classroom or to desks and chairs, unlock doors and windows, and immediately begin discussions and activities in classrooms to assist students in addressing fear, anxiety and other concerns.
- Use Parent Telephone Alert System, if appropriate.

LOCKDOWN is initiated to isolate students and school staff from danger when there is a crisis inside the building and movement within the school might put students and staff in jeopardy. **LOCKDOWN** is used to prevent intruders from entering occupied areas of the building. The concept of **LOCKDOWN** is no one in, no one out. All exterior doors are locked, and students and staff must remain in the classrooms or designated locations at all times. Teachers and other school staff are responsible for accounting for students and ensuring that no one leaves the safe area. **LOCKDOWN** is not normally preceded with an announcement. This ACTION is considered appropriate for, but is not limited to, the following types of emergencies:

- Gunfire
- Rabid animal at large
- Extreme violence outside the classroom

LOCKDOWN differs from **SHELTER-IN-PLACE** because it does not involve shutting down the HVAC systems and does not allow for the free movement within the building.

ANNOUNCEMENT:

1. Make an announcement in person directly or over the public address system:

Example: "Attention please. We have an emergency situation and must implement LOCKDOWN procedures. Students go immediately to the nearest classroom. Teachers lock classroom doors and keep all students inside the classroom until further notice. Do not open the door until notified by an administrator or law enforcement."

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Make the announcement. Instruct teachers and staff to immediately lock doors and remain in the classroom or secured area until further instructions are provided.
- Call 911. Provide location, status of campus, all available details of situation.
- When clearance is received from appropriate agencies, give the **ALL CLEAR** instruction to indicate that it is safe to unlock the doors and return to the normal class routine.
- Send home with students a brief written description of the emergency, how it was handled and, if appropriate, what steps are being taken in its aftermath.

STAFF ACTIONS:

- If it is safe to clear the hallways, bathrooms and open areas, direct students to the closest safe classroom.
- Immediately lock doors and instruct students to lie down on the floor.
- Close any shades and/or blinds if it appears safe to do so.
- Remain quiet and calm in the classroom or secured area until further instructions are provided by the principal or law enforcement.

- Implement A.L.I.C.E. training and strategies when possible.

STUDENT ACTIONS:

- Move quickly and quietly to the closest safe classroom. If rooms are locked, immediately hide in the closest safe zone: bathroom, janitorial closet, office area, Library. Lock the door or move furniture or trash can to bar access to the room. Remain quiet until further instructions are provided by the principal or police.

EMERGENCY ACTION

SECURE CAMPUS

SECURE CAMPUS is implemented when the threat of violence or police action in the surrounding community requires precautionary measures to ensure the safety of staff and students. When a campus is in **SECURE CAMPUS** status, classroom instruction and/or activity may continue as long as all classroom and office doors are locked and all students and staff remain inside **through the duration of that event**. Outer gates and other entrance/exit points can be closed (**NOT LOCKED**) to deter a potential perpetrator from entering school grounds.

This response is considered appropriate for, but not limited to, the following types of emergencies:

- Potential threat of violence in the surrounding community
- Police activity in the surrounding community

A **SECURE CAMPUS** response may be elevated to **LOCKDOWN** in which case, instruction immediately ceases and students and staff follow **LOCKDOWN** procedures.

Secure Campus is a precautionary measure against the threat of potential violence in the surrounding community. Secure Campus requires locking all classroom/office doors and closing entrance and exit points on the school's perimeter. The objective is to protect against a potential community threat coming onto campus. Secure Campus differs from Lockdown in that it allows classroom instruction to continue.

SECURE CAMPUS:

- Is intended to prevent a potential community threat from entering campus
- Heightens school safety while honoring instructional time
- Requires that all exterior classroom / office doors are locked
- Requires that no one goes in or out for **any** reason
- Requires that students and staff remain in Secure Campus status until **ALL CLEAR** is issued by administration

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Assume Incident Command role

- Make public address announcement. Instruct teachers and staff to immediately lock doors and remain in the classroom or secured area until further instructions are provided

Example:

“Your attention please. Due to reported police activity in the surrounding community, please implement **SECURE CAMPUS procedures immediately.”**

-REPEAT-

- Instruct Front Office staff to call law enforcement non emergency number, inform them of Secure Campus status, and gather more specific information regarding the potential threat. If information is difficult to obtain, put site administrator on the call and ask to speak with Dispatch/Communications Supervisor
- Designate assigned individual to lock all doors leading into administration building
- Designate assigned individual to close (**NOT LOCK**) all entrance and exit points on the campus perimeter
- Contact school resource officer or other security personnel and provide available information
- When able, alert Superintendent’s office
- Maintain heightened state of readiness in case potential community threat intensifies and school elevates response to **LOCKDOWN**
- If students are out at break , recess, or lunch and situation is deemed imminent, announce **SECURE CAMPUS** status and ask that all students return to assigned classrooms immediately
- If students are out at break, recess, or lunch and situation is **NOT** deemed imminent, initiate **SECURE CAMPUS** immediately upon conclusion of break
- If possible, provide periodic updates to staff via public address, e-mail, or other agreed upon means. Continue updates even if there is no change in the situation

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Depending on the timing of the situation, consider deactivating the passing period bells. Students and staff must remain inside as long as the threat persists
- After the emergency has been neutralized, initiate **ALL CLEAR**

- Through whatever means is most effective, provide parents/guardians with a brief description of the emergency, how it was handled, and if appropriate, what steps are being taken in its aftermath

STAFF ACTIONS:

- Move to the door and instruct any passing students to return to assigned classroom immediately
- Close and lock the door
- Continue class instruction or activity as normal
- Enforce the no entrance; no exit protocol. Remain in classroom or secured area and wait for further instructions
- Be alert to the possibility that response may elevate to **LOCKDOWN**
- Do **NOT** call office to ask questions; Incident Command will send out periodic updates
- Wait for another action or, if **ALL CLEAR** is issued, return to normal class routine

STAFF ACTIONS: IF STUDENTS ARE ENGAGED IN CLASS ACTIVITY ON AN OUTLYING FIELD (PE OF OTHER ACTIVITY):

- Gather students together and organize into an orderly formation
- Inform students that as part of **SECURE CAMPUS** procedures, the class will move immediately to a predetermined classroom location
- Proceed to on-campus shelter location as quickly as possible

STAFF ACTIONS: IF STUDENTS ARE ENGAGED IN CLASS ACTIVITY ON AN OUTLYING FIELD (PE OR OTHER ACTIVITY):

- Once inside, take attendance to ensure all present students are accounted for
- By classroom phone, cell phone, walkie-talkie, or 2-way radio, contact designated ICS Command to report class location and any absent or missing students
- Implement all classroom policies and procedures for **SECURE CAMPUS** status

- Maintain order in all areas of shelter or assembly. Do not release students to parent/guardian unless instructed by Incident Commander
- Wait for another action or, if **ALL CLEAR** announcement is issued, return to normal class routine

EMERGENCY ACTION	SHELTER IN PLACE
-------------------------	-------------------------

SHELTER IN PLACE is a short-term measure implemented when there is a need to isolate students and staff from the outdoor environment to prevent exposure to airborne contaminants. The procedures include closing and sealing doors, windows and vents; shutting down the classroom/building heating, ventilation and air conditioning systems to prevent exposure to the outside air; and turning off pilot lights.

SHELTER IN PLACE allows for the free movement of staff and students within the building, although one should not leave the room until further instructions are received. Those in bungalows and buildings with exterior passageways must remain in the classroom while **SHELTER IN PLACE** is instituted. It is appropriate for, but not limited to, gas leaks, external chemical release, dirty bombs and hazardous material spills.

ANNOUNCEMENT:

1. Make an announcement in person directly or over the public address system:

Example: "Attention please. We have a hazard in the community and are instituting SHELTER IN PLACE procedures. Students and staff should remain inside with windows and doors securely closed and air conditioning units turned off. Those who are outside should immediately move to the protection of an inside room. Do not go outdoors until you receive further instructions."

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Make an announcement on the public address system. Give clear instructions, remain calm and convey reassurance that the situation is under control.
- When clearance is received from appropriate agencies, give the **ALL CLEAR** instruction to indicate that the normal school routine can resume.
- Make arrangements for central HVAC shutdown, as necessary.

TEACHER and STAFF ACTIONS:

- Immediately clear students from the halls. Stay away from all doors and windows.
- Keep all students in the classroom until further instructions are received. Assist those needing special assistance.
- Secure individual classrooms: a) close and lock doors and windows; b) shut down the classroom HVAC system; c) turn off local fans in the area; d) seal gaps under doors and windows with wet towels or duct tape; e) seal vents with aluminum foil or plastic wrap; and f) turn off sources of ignition, such as pilot lights.
- Take attendance and call the report into the front office. Wait for further instructions.

STUDENT ACTIONS:

- Proceed to the classroom, if it is safe to do so. If not, follow teacher or staff directions to nearby classrooms or other rooms (e.g., auditorium, library, cafeteria, multi-purpose room). If these are unsafe, follow instructions to proceed to an alternative indoor location.

● **EMERGENCY ACTION**

TAKE COVER

TAKE COVER is implemented when it is necessary to move to and take refuge in the best- shielded areas within the school buildings. It is appropriate for, but not limited to, the following:

- Actual enemy attack or imminent threat of attack
- Severe windstorm with little or no warning

Enemy Attack

ANNOUNCEMENT:

1. A three (3) minute undulating siren tone will sound for schools near an Attack Warning Siren.

2. If not near an Attack Warning Siren, make the following announcement in person directly or over the school public address system:

Example: "Attention please. (Pause) TAKE COVER (Pause) TAKE COVER. (Pause) TAKE COVER (Pause) Enemy attack imminent."

3. Sound continuing short buzzer or bell signals.
4. Use messengers with oral or written word as an alternate means of faculty notification.

Natural Disasters

ANNOUNCEMENT:

1. Make the following announcement in person directly or over the school public address system:

Example: "Attention please. (Pause) TAKE COVER (Pause) TAKE COVER. (Pause) TAKE COVER (Pause) Severe windstorm imminent."

2. Sound continuing short buzzer or bell signals.
3. Use messengers with oral or written word as an alternate means of faculty notification.

EMERGENCY ACTION

DUCK, COVER AND HOLD ON

DROP, COVER AND HOLD ON is the action taken during an earthquake to protect students and staff from flying and falling debris. It is appropriate action for:

- Earthquake
- Explosion

ANNOUNCEMENT:

The following announcement will be made over the public address system and by teachers in classrooms:

Example: **“Attention please. We are experiencing seismic activity. For your protection, follow DUCK, COVER AND HOLD ON procedures. Get under a table or desk, away from windows and anything that could fall and hurt you. Hold that position until the shaking stops or until you receive further instructions.”**

STAFF AND STUDENT ACTIONS:

Inside

- Arrange desks so that they do not face windows.
- Instruct students to move away from windows.
- Immediately drop to the floor under desks, chairs or tables. With back to windows, place head between knees, hold on to a table leg with one hand and cover the back of the neck with the other arm.
- Remain in place until shaking stops or for at least 20 seconds. When quake is over, leave building. Do not run. Avoid routes with architectural overhangs. Do not re-enter building until declared safe by competent authority.

Outside

- Instruct students to move away from buildings, trees, overhanging wires and **drop, COVER and HOLD ON**.
- Upon the command **drop, COVER AND HOLD ON**, immediately move away from objects which might topple over, drop to the ground or get under a table close by, place head between knees, and cover back of neck with arms and hands.
- Remain in place until shaking stops or for at least 20 seconds.

EMERGENCY ACTION

EVACUATION

EVACUATION is implemented when conditions make it unsafe to remain in the building. This ACTION provides for the orderly movement of students and staff along prescribed routes from inside school buildings to a designated outside area of safety.

EVACUATION is considered appropriate for, but is not limited to, the following types of emergencies:

- Fire
- Explosion or threat of explosion
- Bomb threat
- Post earthquake
- Chemical accident

See next page for how to assist those with disabilities during an evacuation.

See also: **OFF-SITE EVACUATION**, which is implemented when it is not safe to remain on the school campus and **REVERSE EVACUATION**, when it is unsafe to remain outside.

ANNOUNCEMENT:

1. Fire alarm (bell or horn signal).
2. Provided time is available, make an announcement over the public address system:

Example: "Attention please. We need to institute an **EVACUATION** of all buildings. Teachers are to take their students to their designated Assembly Area. Students please remain with your teacher."

3. Implement Special Needs Evacuation Plan (see **Section II – Preparedness**).
4. Use messengers with oral or written word to deliver additional instructions to teachers in hold areas.

PRINCIPAL/SITE ADMINISTRATOR:

- The Assembly Area should be a safe location on the school campus away from the building and emergency response equipment that may arrive at the school. If unsafe for the current emergency, designate an alternate Assembly Area.
- When clearance to return to the buildings is determined or received from appropriate agencies, announce **ALL CLEAR** to return to classrooms and resume school activities.
- Send home with students for their parents/guardians a brief written description of the emergency, how it was handled and, if appropriate, what steps are being taken in its aftermath.

STAFF ACTIONS:

- Instruct students to leave the building in an orderly manner using the designated evacuation routes and reassemble in the assigned Assembly Area.
- Take the emergency backpack and student roster when leaving the building and take attendance when the class is reassembled in a safe location. Report attendance to the Incident Commander/designee.
- Remain in the Assembly Area until further instructions are given.
- Wait for another ACTION or the **ALL CLEAR** instruction to return to school buildings and normal class routine.

HOW TO ASSIST THOSE WITH DISABILITIES DURING AN EVACUATION

The needs and preferences of non-ambulatory individuals will vary. Those at ground floor locations may be able to exit without help. Others may have minimal ability to move, and lifting may be dangerous. Some non-ambulatory people also have respiratory complications. Remove them from smoke and vapors immediately

To alert visually-impaired individuals

- Announce the type of emergency.
- Offer your arm for guidance.
- Tell person where you are going, obstacles you encounter.
- When you reach safety, ask if further help is needed.

To alert individuals with hearing limitations

- Turn lights on/off to gain person's attention -OR-
- Indicate directions with gestures -OR-
- Write a note with evacuation directions.

To evacuate individuals using crutches, canes or walkers

- Evacuate these individuals as injured persons.
- Assist and accompany to evacuation site, if possible -OR-
- Use a sturdy chair (or one with wheels) to move person -OR-
- Help carry individual to safety.

To evacuate individuals using wheelchairs

- Give priority assistance to wheelchair users with electrical respirators
- Most wheelchairs are too heavy to take downstairs; consult with the person to determine the best carry options.
- Reunite person with the wheelchair as soon as it is safe to do so.

EMERGENCY ACTION	OFF-SITE EVACUATION
-------------------------	----------------------------

OFF-SITE EVACUATION is implemented when it is unsafe to remain on the school campus, and evacuation to an off-site assembly area is required. This ACTION provides for the orderly movement of students and staff along prescribed routes from inside school buildings to a designated area of safety. **OFF-SITE EVACUATION** is considered appropriate for, but is not limited to, the following types of emergencies:

- Fire
- Explosion or threat of explosion
- Bomb threat
- Post earthquake
- Chemical accident

OFF-SITE EVACUATION may require **DIRECTED TRANSPORTATION**.

See also **EVACUATION** and **REVERSE EVACUATION**, implemented when it is unsafe to remain outside.

ANNOUNCEMENT:

1. Fire alarm (bell or horn signal).
2. Make an announcement over the public address system:

Example: **"Attention please. We need to institute an OFF-SITE EVACUATION Teachers are to take their students to the designated offsite assembly area. Students are to remain with their teacher."**

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Determine the safest method for evacuating the campus. This may include the use of school buses or simply walking to the designated off-site location.

- When clearance is received from appropriate agencies, give the **ALL CLEAR** instruction and authorize students and staff to return to the classrooms.
- Send home with students for their parents/guardians a brief written description of the emergency, how it was handled and, if appropriate, what steps are being taken in its aftermath.

STAFF ACTIONS:

- Take attendance before leaving campus. Instruct students to evacuate the building, following designated routes, and assemble in their assigned offsite Assembly Area. Bring along the emergency classroom backpack.
- If walking to a nearby site, keep students lined up in an orderly fashion and walk away from the danger. The procession should follow the safest route to the evacuation site.
- Take the student roster when leaving the building. Take attendance when the class is reassembled in a safe offsite location. Report attendance to Principal/designee.

EMERGENCY RESPONSE

ACCIDENT AT SCHOOL

Whether an accident is unintentional and results in minor injury or is the result of aggressive behavior on campus, it is important to complete a written report of the incident. Accident Report and Behavioral Incident Report forms are available at the school office.

STAFF ACTIONS:

- Report an accident to the Principal and school office.
- Provide for immediate medical attention, including performing necessary life-sustaining measures (CPR, etc.), until trained Emergency Medical Services technicians arrive.
- For relatively minor events, take students to school office or school nurse for assistance.
- Complete an Accident Report or Behavioral Incident Report to document what occurred.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Provide appropriate medical attention. Call 911, if needed.
- Contact parents, guardians as appropriate to seek appropriate follow-up services, if needed.

OTHER PREVENTATIVE/SUPPORTIVE ACTIONS:

- Post general procedures in the clinic explaining when parents are to be notified of minor mishaps.
- Provide staff with a one-page list of emergency procedures in case of an accident or injury on the playground or in the building (e.g., First Aid Manual, Bloodborne Pathogen Program).
- Provide each teacher with information about students in his/her classroom having special medical or physical needs; such conditions might include allergies, fainting, seizures, or diabetes; include procedures that the teacher may follow in these specific emergencies.

EMERGENCY RESPONSE Active Shooter/Armed Assailant

ACTIVE SHOOTER / ARMED ASSAILANT SITUATIONS

“Active shooter situations” are defined as those where an individual or individuals is “actively engaged in killing or attempting to kill people in a confined and populated area.” *Active shooters / armed assailants frequently use firearms but attacks of this type can also be made with other types of weapons (knives, swords, etc.). These situations are unpredictable and evolve quickly. Because of this, individuals must be prepared to deal with an active shooter / armed assailant situation before law enforcement personnel arrive on the scene.*

No single response fits all *active shooter / armed assailant situations*; therefore it is essential all members of the school staff know their options for response and are prepared to act decisively to protect their students and themselves.

ACTIONS – ALL SCHOOL STAFF

1. All employees are authorized to **take immediate action** to protect themselves and students if they see or hear anything that causes them to believe an active shooter / armed assailant situation is occurring or is about to occur. We encourage all staff to implement A.L.I.C.E. training measures as well as those listed below.
2. A.L.I.C.E. training measures include:

A - ALERT: Initial alert may be a gunshot, PA announcement, etc

L - LOCKDOWN: If evacuation is not a safe option, barricade entry points. Prepare to evacuate or counter if needed.

I - INFORM: Communicate real-time information on shooter location. Use clear and direct language.

C - COUNTER: As a last resort, distract shooters' availability to shoot accurately. Move towards exits while making noise, throwing objects or adults swarm shooter.

E - EVACUATE: Run from danger when safe to do so using non-traditional exits if necessary.

- a. **Act immediately** if you or your students:
 - hear a sound that might be gunfire.
 - see something that looks like a weapon being carried or used on or near the campus.
 - sense any other indication of active shooter / armed assailant threat.
 - b. **Quickly evaluate** which option (Run, Hide or Fight) will best protect you and your students.
 - c. **Be decisive.** Communicate your plan to your students and act quickly.
 - d. **Call 911 and the School Office** as soon as it is safe to do so.
3. **Options: Run, Hide or Fight**
 - a. **Run:** If you can get yourself and your students safely away from danger, do so immediately.
 - Do not evacuate unless you...
 - o know with certainty, the exact location of assailant (do not trust unofficial, second hand accounts),

- o **and** can visualize a route that will get your students and yourself safely off campus.
 - Don't carry anything with you.
 - o Police may mistake an item in your hands as a weapon.
 - o Leave everything behind.
 - If you encounter people along the way...
 - o Adults: Warn them and take them with if you can but don't stop if they refuse to come.
 - o Students: Warn any students you encounter and take them with if you. You may use reasonable force to take a student with you *if you can do so without endangering yourself or the other students in your care.*
 - Place terrain and buildings between you and the assailant to cover your escape.
 - Keep going until you are certain you are out of danger.
 - Call 911 as soon as it is safe to do so.
 - Keep your students with you. Call 619-795-1190 (ES) or (619)780-0400 (MS) to report your location and obtain instructions.
- b. **Hide:** If you do not know the exact location of the assailant, get your students and yourself into the most secure location available and LOCKDOWN.
- Lock the doors
 - Close and lock windows and close blinds or cover windows;
 - Turn off lights;
 - Barricade the doors with heavy furniture; be sure your barricade covers any glass in or near the door;
 - Silence all electronic devices;
 - Remain silent;
 - Position occupants spread out and out of line of site from room entrance.
 - Prepare to take action if the assailant attempts to get in the room;
 - Use text or email to communicate your location, the number of students or staff with you, if you have any wounded and the extent of the injuries;
 - Call 911 as soon as it is safe to do so.
 - Remain in place until evacuated by identifiable law enforcement officers.
- c. **FIGHT: Never seek out confrontation with an active shooter / armed assailant.** If you are confronted by an active shooter / armed assailant and you have no safer option, take immediate action to disrupt or incapacitate the assailant. **If you choose the FIGHT option, commit to your actions.**
- If you are in LOCKDOWN (Hide), prepare yourself and your students for the possibility that the assailant may attempt to get in the room you are in.
 - o Construct a strong barricade.
 - o If you have another way out (a window or back door) use it while the assailant is attempting to get in.
 - o If no other exit is available, be prepared to disrupt the assailant by throwing objects at the assailant and running for the exit as soon as the assailant enters the room.
 - a. Use items in the environment as improvised weapons (fire extinguishers, staplers, books, cups, etc.)
 - Staff members may consider using aggressive and violent force to surprise and overwhelm the assailant.

4. **Call 911 and initiate a school-wide LOCKDOWN** announcement as soon as you can do so safely. Work with the people you are with to do both calls simultaneously if possible.

- a. Provide as much information as possible (slow down – be calm):
 - State the emergency: “I hear gunfire.” “I saw...”
 - Give information on people who are wounded.
 - Location of the assailant (if known):
 - Description of the assailant (if known):
 - Your precise location: “room ___”
 - The number of children with you:
- b. Keep the line open, even if you can't talk, unless instructed by the dispatcher to end the call.

5. Special Topics

- a. Injuries: Your response to injured persons will need to vary given the specific circumstances that are present and the response option (Run, Hide or Fight) you are engaged in.
 - *Run* – If you encounter injured persons while you are trying to get out of danger...
 - And you have children with you, you must place their safety ahead of the injured person. Take note of where the injured person is and report the location as soon as you get to safety.
 - *Hide* – If someone is injured where you are hiding, secure the room before tending to the wounded.
 - As soon as it is safe to do so, apply first aid using any supplies that are available. If necessary, use articles of clothing as improvised dressing for wounds and apply direct pressure to control bleeding.
 - *Fight* – This is always the option of last resort because the probability of injury is highest when you are in close proximity to the assailant. Commit to your plan. Do not stop to tend to the wounded until it is safe to do so.
 - If your intention is to disrupt the assailant to allow as many people to escape as possible, stick to that plan.
 - If your plan is to incapacitate the assailant, keep fighting until the assailant is incapacitated and the weapon and assailant are under control.
- b. Law Enforcement: If you encounter law enforcement officers...
 - Immediately raise your hands in the air and display your open palms.
 - Don't run up to officers or attempt to hug or talk to them.
 - Don't talk unless they ask you a question.
 - Do exactly what they tell you to do.
- c. Weapons: If the assailant loses control of a weapon, exercise extreme care when securing it:

- Do not pick up the weapon. Law enforcement may shoot you if they see you holding a weapon.
 - Secure the weapon by placing an empty trash can over it and sliding it to a location where it can be kept covered and under control until a law enforcement officer can take possession of it.
- d. Ongoing Communication: (School and LEA staff should develop means to safely provide updates to staff to keep them informed during the incident.)
- e. Extended Day Programs / After School Activities: (School sites must also plan for and train all LEA / site staff involved with student activities and extracurricular programs.)

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Follow the All Staff guidance described above.
- Call 911 and initiate a **LOCKDOWN** announcement as soon as you can do so safely. Work with nearby staff to do them simultaneously if at all possible.
 - Include as much actionable information on the announcement as possible.
 - *Example "LOCKDOWN, LOCKDOWN, LOCKDOWN. Man with a gun on campus. LOCKDOWN now."*
 - If you have surveillance capabilities, and can safely provide real time announcements, broadcast continuous and accurate information on the location of the assailant. This will disrupt and distract the assailant. It will also provide people on campus with information they can use to better evaluate their options.
 - *Example: "The gunman is now in the D wing headed south. He is armed with a shotgun and is wearing a hooded jacket and blue jeans."*
- Notify the LEA office after you call 911.
- If possible, assist emergency personnel.
 - Assist police in entering the school;
 - Provide officers with keys, maps and any other information requested.

LEA STAFF ACTIONS

- **Emergency Operations Center (EOC)**
 - Activate the LEA's Emergency Operations Center
 - Dispatch a back-up ICS team to take over responsibility for ICS functions from site staff who will be impacted by this emergency.
- **Offsite Reunification**
 - The Operations Section should prepare an off-site evacuation site for reunification.
 - This should be at a location large enough to accommodate the evacuation, with parking available for parents coming to get their kids. Movie theater complexes work well for this type of emergency.
 - Once the assailant is neutralized emergency responders will begin to treat and evacuate the wounded.
 - School staff and students will remain in lockdown until evacuated on a room by room basis.
 - Buses should be placed on standby for evacuation.
 - Teams and materials should be mobilized to conduct an orderly reunification in which all students and staff are accounted for.
- **Crisis Intervention**

- A Mental Health strike team should also be assembled to assist with stabilizing acutely impacted students, staff and parents during reunification.
- This team will also provide ongoing support throughout the recovery phase of the emergency response.
- Psychoeducational materials should also be developed / selected by the Planning Section for distribution to parents and other caregivers to assist them in supporting crisis recovery.
- Mental Health staff should also be involved in plans related to reopening the school following an active shooter / armed assailant event.

- a building's ventilation system
- a small explosive device to help it become airborne
- a contaminated item such as a backpack, book bag, or other parcel left unattended
- the food supply
- aerosol release (for example, with a crop duster or spray equipment)

Defense against biological release (e.g. anthrax, smallpox, plague, ricin etc.) is difficult because usually appear after some time has lapsed. Indicators that may suggest the release of a biological or chemical substance include multiple victims suffering from: watery eyes, choking or breathing difficulty, twitching or the loss of coordination. Another indicator is the presence of distressed animals or dead birds. Determine which scenario applies and implement the appropriate response procedures.

Outside the building

- Evaluate the need for evacuation.
- Remain with the vehicle. Notify California Highway Patrol.

STAFF ACTIONS AT THE SCENE:

- Call 911, if warranted.
- Notify principal.
- Implement basic first aid until emergency medical services and/or law enforcement arrives and takes charge of the emergency.
- Move all uninjured students to a safe distance from the accident.
- Document the names of all injured students and their first aid needs.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

A student's death may be the result of a suicide, homicide, car accident, illness or other causes. It may have a profound effect on the school and may be one of the most difficult situations an administrator will face. A communications strategy developed in advance of such tragedy will help the administrator know what to say to the student's family and the school community.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Verify the death and obtain as much information about it as possible.
- Contact the student's family or visit the home to offer condolence and support. Obtain information about the funeral/memorial service. Respect their wishes.
- Protect the privacy of the family; the school neither gives nor confirms information to the media or others without consent.

- Meet with front line staff/crisis team as soon as possible so that everyone understands the response plan.
- Determine whether additional resources are needed and make appropriate requests.
- Schedule a staff meeting as soon as possible to share the details that are known, review procedures for the day and discuss the notification of students, availability of support services and the referral process for students and staff who want or need counseling support and assistance.
- Develop a plan for notifying other students and sharing information about availability of support services. Do not use the public address system.
- Go to each of the student's classes and notify his/her classmates in person.
- Prepare a parent/guardian information letter and distribute it to students at the end of the day.
- Contact parents of those students who are affected by the crisis to determine appropriate support needed after leaving school. Offer assistance to parents of impacted students. If necessary, designate areas for crisis team/community resource persons to meet with affected students.
- Make arrangements with the family to remove the student's personal belongings from the school.
- Meet with your staff/crisis team to evaluate the response and determine what additional resources might be needed. Thank all those who assisted.

A dirty bomb is a mix of explosives, such as dynamite with radioactive power or pellets, set off to scatter dust and smoke in order to produce radioactive contamination. The main danger from a dirty bomb is from the explosion, which can cause serious injuries and property damage. While the radioactive materials used in a dirty bomb are probably insufficient to create immediate serious illness, they can be dangerous to health if inhaled. Low levels of radiation exposure do not cause noticeable symptoms. Higher levels of radiation exposure may produce nausea, vomiting, diarrhea and swelling and redness of the skin.

Outside, close to the incident.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- DO NOT MIX POPULATIONS. For those outside at the time of the explosion, initiate **REVERSE EVACUATION** to a separate building or location. Isolate them from those already inside. Do not risk contamination of those inside at the time of the explosion.
- Call 911. Provide location and nature of the emergency and school actions taken.
- Set up a decontamination station where students and staff may shower or wash with soap and water.
- Prepare a list of those who are in the affected area to provide to emergency response personnel.
- Turn on a battery-powered commercial radio and listen for instructions.
- Notify the LEA Superintendent of the situation.
- Arrange for medical attention for those injured by the explosion.
- Arrange for psychological counseling for students and staff.

STAFF ACTIONS:

- Cover nose and mouth with a cloth to reduce the risk of breathing in radioactive dust or smoke.
- Move students quickly to the closest suitable shelter to shield them from radiation. Keep them isolated from individuals inside at the time of the explosion. Do not risk contamination of those who were not outside.
- Avoid touching any objects thrown off by the explosion—they might be radioactive.
- Follow standard student assembly, accounting and reporting procedures.
- Immediately remove outer layer of clothing and mouth cover and seal in a plastic bag, if available. Removing outer clothes may get rid of up to 90% of radioactive dust. Put plastic bag away from the population where others will not touch it until authorities provide further instructions.
- Supervise decontamination station where students and staff may shower or wash with soap and water. Do not come into contact with water runoff.
- Do not return outside after decontamination. Remain in safe area, isolated from those who are unaffected, until emergency response personnel arrive

Inside, close to the incident

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- DO NOT MIX POPULATIONS. For those inside at the time of the explosion, initiate **SHELTER IN PLACE** procedures. Turn off HVAC system.
- Move to central location where windows and doors can be sealed with duct tape.
- Call 911. Provide location and nature of the emergency and school actions taken.
- Turn on a battery-powered commercial radio and listen for instructions.
- Notify the LEA Superintendent of the situation.
- Remain inside the building until the Department of Health or Fire Department determines it is safe to leave.
- Arrange for psychological counseling for students and staff.

STAFF ACTIONS:

- Keep students calm. Instruct students to **drop and COVER**.
- Turn off fans and air conditioning systems. Seal windows and air vents with duct tape. Close all curtains and blinds.
- Do not consume water or unpackaged food that was out in the open. Wash the outside of any container before opening it.

Earthquakes strike without warning. Fire alarms or sprinkler systems may be activated by the shaking. The effect of an earthquake from one building to another will vary. Elevators and stairways will need to be inspected for damage before they can be used. The major shock is usually followed by numerous aftershocks, which may last for weeks.

The major threat of injury during an earthquake is from falling objects, glass shards and debris. Many injuries are sustained while entering or leaving buildings. Therefore, it is important to quickly move away from windows, free-standing partitions and shelves and take the best available cover under a sturdy desk or table, in a doorway or against an inside wall. All other actions must wait until the shaking stops. If persons are protected from falling objects, the rolling motion of the earth may be frightening but not necessarily dangerous.

Inside Building

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Direct inspection and assessment of school buildings. Report building damage and suspected breaks in utility lines or pipes to fire department responders.
- Send search and rescue team to look for trapped students and staff.
- Post guards a safe distance away from building entrances to assure no one re-enters.
- Notify LEA Office of school and personnel status. Determine who will inform public information media as appropriate.
- Do NOT re-enter building until it is determined to be safe by appropriate facilities inspector.
- Determine whether to close school. If school must be closed, notify staff members, students and parents.

STAFF ACTIONS:

- Give **DROP, COVER and HOLD ON** command. Instruct students to move away from windows, bookshelves and heavy suspended light fixtures. Get under table or other sturdy furniture with back to windows.
- Check for injuries, and render First Aid.
- After shaking stops, **EVACUATE** building. Avoid evacuation routes with heavy architectural ornaments over the entrances. Do not return to the building. Bring attendance roster and emergency backpack.
- Check attendance at the assembly area. Report any missing students to principal/site administrator.
- Warn students to avoid touching electrical wires and keep a safe distance from any downed power lines.

- Stay alert for aftershocks
- Do NOT re-enter building until it is determined to be safe.

Outside Building

STAFF ACTIONS:

- Move students away from buildings, trees, overhead wires, and poles. Get under table or other sturdy furniture with back to windows.
- If not near any furniture, drop to knees, clasp both hands behind neck, bury face in arms, make body as small as possible, close eyes, and cover ears with forearms. If notebooks or jackets are handy, hold over head for added protection. Maintain position until shaking stops.
- After shaking stops, check for injuries, and render first aid.
- Check attendance. Report any missing students to principal/site administrator.
- Stay alert for aftershocks.
- Keep a safe distance from any downed power lines
- Do NOT re-enter building until it is determined to be safe.
- Follow instructions of principal/site administrator.

●
During non-school hours

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Inspect school buildings with Maintenance/Building and Grounds Manager to assess damage and determine corrective actions.
- Confer with LEA Superintendent if damage is apparent to determine the advisability of closing the school.
- Notify fire department and utility company of suspected breaks in utility lines or pipes.
- If school must be closed, notify staff members, students and parents. Arrange for alternative learning arrangement such as portable classrooms if damage is significant and school closing will be of some duration.
- Notify LEA Office, who will inform public information media as appropriate.

Emergency response will depend on the type of explosion (smoke bomb, chemical lab incident, etc.) and proximity to the school. All students should be kept away from the explosion and under supervision.

PRINCIPAL/SITE ADMINISTRATOR:

- Determine whether site evacuation should be implemented. If so, sound fire alarm. This will automatically implement action to **EVACUATE** the building. **EVACUATION** may be warranted in some buildings but others may be used for **SHELTER IN PLACE**.
- Notify Fire Department (call 911). Provide school name, address, exact location within the building, your name and phone number and nature of the emergency.
- Secure area to prevent unauthorized access until the Fire Department arrives.
- Advise the LEA Superintendent of school status.
- Notify emergency response personnel of any missing students.
- Notify utility company of breaks or suspected breaks in utility lines or pipes. Provide school name, address, location within building, your name and phone.
- Direct a systematic, rapid and thorough approach to search the building and surrounding areas. Check classrooms and work areas, public areas (foyers, offices, bathrooms and stairwells), unlocked closets, exterior areas (shrubbery, trash cans, debris boxes) and power sources (computer rooms, gas valves, electric panels, telephone panels).
- Determine if Student Release should be implemented. If so, notify staff, students and parents.
- If damage requires the school to be closed, notify parents and staff of school status and alternate site for classroom instruction. Do not return to the school building until it has been inspected and determined safe by proper authorities.

STAFF ACTIONS:

- Initiate **DROP, COVER AND HOLD ON**.
- If explosion occurred inside the school building, **EVACUATE** to outdoor assembly area. Keep students and staff at a safe distance from the building(s) and away from fire-fighting equipment.
- Check to be sure all students have left the school site. Remain with students throughout evacuation process.
- Upon arrival at assembly area, check attendance. Report status to site administrator immediately.
- Render first aid as necessary.

- Do not return to the building until the emergency response personnel determine it is safe to do so.
- If explosion occurred in the surrounding area, initiate **SHELTER IN PLACE**. Keep students at a safe distance from site of the explosion.

EMERGENCY RESPONSE

FIRE (offsite)

A fire in an adjoining area, such as a wildland fire, can threaten the school building and endanger the students and staff. Response actions are determined by location and size of the fire, its proximity to the school and the likelihood that it may endanger the school community.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Determine if **EVACUATION** of school site is necessary.
- Contact local fire department (call 911) to determine the correct action for your school site.
- If necessary, begin evacuation of school site to previously identified safe site using school evacuation plan. If needed, contact bus dispatch for **OFF-SITE EVACUATION**.
- Direct inspection of premises to assure that all students and personnel have left the building.
- Notify the school LEA where the school has relocated and post a notice on the office door stating the temporary new location.
- Monitor radio station for information.
- Do not return to the building until it has been inspected and determined safe by proper authorities.

STAFF ACTIONS:

- If students are to be evacuated, take attendance to be sure all students are present before leaving the building site.
- Stay calm. Maintain control of the students a safe distance from the fire and firefighting equipment.
- Take attendance at the assembly area. Report any missing students to the principal/site administrator and emergency response personnel.
- Remain with students until the building has been inspected and it has been determined safe to return to.

Should any fire endanger the students or staff, it is important to act quickly and decisively to prevent injuries and contain the spread of the fire. All doors leading to the fire should be closed. Do not re-enter the area for belongings. If the area is full of smoke, students and employees should be instructed to crawl along the floor, close to walls, which will make breathing easier and provide direction. Before opening any door, place a hand an inch from the door near the top to see if it is hot. Be prepared to close the door quickly at the first sign of fire. All fires, regardless of their size, which are extinguished by school personnel, require a call to the Fire Department to indicate that the "fire is out".

Within School Building

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Sound the fire alarm to implement **EVACUATION** of the building.
- Immediately **EVACUATE** the school using the primary or alternate fire routes.
- Notify the Fire Department (call 911).
- Direct search and rescue team to be sure all students and personnel have left the building.
- Ensure that access roads are kept open for emergency vehicles.
- Notify the Front Office of the situation.
- Notify the appropriate utility company of suspected breaks in utility lines or pipes.
- If needed, notify bus dispatch for **OFF-SITE EVACUATION**.
- Do not allow staff and students to return to the building until the Fire Department declares that it is safe to do so.

STAFF ACTIONS:

- **EVACUATE** students from the building using primary or alternate fire routes. Take emergency backpack and student kits. Maintain control of the students a safe distance from the fire and firefighting equipment.
- Take attendance. Report missing students to the Principal/designee and emergency response personnel.
- Maintain supervision of students until the Fire Department determines it is safe to return to the school building.

Near the School

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Notify the Fire Department (call 911). The Fire Marshall will direct operations once on site.
- Determine the need to implement an **EVACUATION**. If the fire threatens the school, execute the actions above. If not, continue with school routine.

EMERGENCY RESPONSE FLOOD

Flooding could threaten the safety of students and staff whenever storm water or other sources of water threaten to inundate school grounds or buildings. Flooding may occur if a water pipe breaks or prolonged rainfall causes urban streams to rise. Flooding may also occur as a result of damage to water distribution systems such as failure of a dam or levee. If weather-related, an alert message will be broadcast over the weather radio station.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Issue **STAND BY** instruction. Determine if evacuation is required.
- Notify the local police department of intent to **EVACUATE**, the location of the safe evacuation site and the route to be taken to that site.
- Delegate a search team to assure that all students have been evacuated.
- Issue **Off Site Evacuation** instruction if students will be evacuated to a safer location by means of buses and cars.
- Post a notice on the office door stating where the school has relocated and inform the LEA Office.

BUS DRIVER ACTIONS:

- If evacuation is by bus, **DO NOT** drive through flooded streets and/or roads. **DO NOT** attempt to cross bridges, overpasses or tunnels that may be damaged by flooding.

All school personnel, including cafeteria managers and custodians, shall immediately report any gas odor or suspected gas leak to the principal. If an odor is detected outside the building, it may not be necessary to evacuate.

STAFF ACTIONS:

- Notify the principal.
- Move students from the immediate vicinity of danger.
- Do not turn on any electrical devices such as lights, computers, fans, etc.
- If the odor is severe, leave the area immediately.
- If the building is evacuated, take student attendance and report any missing students to the Principal/Site Administrator.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- If a gas leak is internal, evacuate the building immediately.
- Call 911.
- Notify the utility company.
- Determine whether to move to an alternate building location.
- If extended stay outdoors in inclement weather, contact transportation to provide a bus to transport students to partner school or shelter students on buses.
- Do not return to the building until it has been inspected and determined safe by proper authorities.

ADDITIONAL STEPS FOR THE SCHOOL:

The nature of the material and the proximity of the incident to the school site will determine which emergency ACTION should be implemented. Police, Fire or Public Health Department may order **EVACUATION** of the school. See also **BIOLOGICAL AGENT RELEASE** and **CHEMICAL ACCIDENT**.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Call 911, if necessary.
- If there is a threat of airborne toxicity, shut-off the ventilation system in affected area.
- Initiate **EVACUATION**. Any toxic cloud that can affect students in their classrooms would very likely affect them outside on the school grounds as well. If evacuating by foot, move crosswind to avoid fumes, never upwind or downwind.
- Isolate anyone suspected of being contaminated with a substance that could be transferred to others until public safety personnel carry out decontamination procedures.
- If time is available, initiate **Off Site Evacuation**, which may include the use of buses. Move students and staff away from the path of hazardous materials.
- Notify LEA Superintendent.
- Wait for instructions from emergency responders-- Health or Fire Department.
- Do not allow the return of students to the school grounds or buildings until public safety officials declare the area safe.
- Upon return to school, ensure that all classrooms are adequately aired.

TEACHER ACTIONS:

- Follow standard student assembly, accounting and reporting procedures.
- Report names of missing students to the office.
- Do not take unsafe actions such as returning to the building before it has been declared safe.

Hostage situations may unfold rapidly in a variety of ways. Events may range from a single perpetrator with a single hostage to several perpetrators with many hostages. Specific actions by school staff will be limited pending arrival of law enforcement officers. It is their responsibility to bring the situation to a successful conclusion. When as much of the school has been evacuated as can be accomplished, school staff should focus on providing support as needed to the police department, communicating with parents, and providing counseling for students.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS

- Protect building occupants before help arrives by initiating a **LOCKDOWN** or **EVACUATION** (or combination of both) for all or parts of the building.
- Secure exterior doors from outside access.
- When police arrive, assist them in a quiet, orderly evacuation away from the hostage situation.
- Gather information on students and/or staff involved and provide the information to the police. If the parent of a student is involved, gather information about the child.
- Identify media staging area, if appropriate. Implement a hotline for parents.

INTRUDER

All public schools are required to post signs at points of entry to their campuses or buildings from streets and parking lots. The following statement should be used on signage:

All visitors entering school grounds on school days between 7:30 a.m. and 4:00 p.m. must register at the Main Office. Failure to do so may constitute a misdemeanor.

-- California Penal Code Title 15, Chapter 1.1 § 627.2

To prevent intruders on campus, keep doors secure, use sign-in sheets for visitors and cameras and staff to monitor entryways.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Initiate **LOCKDOWN**.
- Request intruder to leave campus. Remain calm. Be courteous and confident. Keep distance from the intruder. Speak in a soft, non-threatening manner. Avoid hostile-type actions, except in cases when necessary to safeguard person or property. Listen to the intruder. Give him or her an opportunity to vent. Attempt to be helpful. When talking to the intruder, use phrases such as:
 - *“What can we do to make this better?”*

EMERGENCY RESPONSE

IRRATIONAL BEHAVIOR

A risk to the life and safety of students and staff may exist if there is a serious display of disordered thought or behavior. Possible symptoms include: hallucinations, extreme paranoia, impaired judgment that may lead to unsafe decision-making and dangerous behavior (to self or others), incoherent or disjointed speech and self-injurious behavior such as: hitting head, cutting self. Attempts should be made to use de-escalation strategies, calming techniques (e.g., deep breathing), and to implement behavior plans, crisis plans or strategies in IEP, if in place.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Keep the individual under continuous adult supervision.
- Keep the individual on campus until the parent/guardian has been notified.
- Arrange appropriate support services for necessary care of individual.
- If the individual actively displays dangerous behavior or there is reason to believe the student cannot be safely transported, call agencies as appropriate to coordinate emergency mental health services (e.g., mental health facilities, juvenile court, law enforcement).
- School professional (psychologist, counselor, social worker, nurse) should recommend next steps to the principal. The next steps may include:
 - Provide parents/guardian with the names and phone numbers of mental health resources
 - Recommend that the parents make an immediate contact with a therapist.
 - Request that parents/guardian to sign release forms to allow two-way communication between the school and the treating agency.
- Make a follow-up check with the treating agency, family and student as appropriate, to ensure that appropriate care has been arranged.
- Provide follow-up collaborative support for the student and parents (as indicated) within the school
- Develop a safety plan prior to the student’s return to school.

Suicide, attempted suicide, and suicidal gestures have a significant detrimental effect, not only on the involved student, but also on others in the school community. There is no way to predict who will commit suicide, or when, but there are warning signs, including: increasing talk of death, talk about not being worth living and reckless behavior. School staff with reasonable cause to believe that a student is suicidal should begin the intervention process immediately. Parents must always be contacted. PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

- Call ambulance in event of overdose or injury requiring medical attention.
- Call 911 if immediate threat exists to the safety of the student or others.

Threats occur when a belligerent or armed person on the school site bullies, intimidates or coerces others, targeting an individual, particular group or the entire school community. Threats are presented as overt hostility. They may be received by written note, email communication, phone call or orally. The procedure below applies to an oral threat.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS:

Generated by earthquakes, underwater disturbance or volcanic eruption, a tsunami is a series of waves that come onshore as a rapidly rising surge of water. Tsunami waves can travel at speeds up to 600 miles per hour in the open ocean. Areas at greatest risk of inundation are less than 25 feet above sea level and within one mile of the coastline.

PRINCIPAL/SITE ADMINISTRATOR ACTIONS :**Before**

- Know the height of the school above sea level and its distance from the shoreline. Evacuation orders may be based on these numbers.
- Be familiar with tsunami warning signs. An earthquake or a sizable ground rumbling is a warning signal to people living near the coast. A noticeable rapid rise or fall in coastal waters may indicate an approaching tsunami.
- Make plans for evacuation by vehicle and/or by foot. Pick an inland location that is elevated. Identify an alternative evacuation site in case roads are blocked.

During

- Heed natural warnings. An earthquake or rapid fall in coastal waters may serve as a warning that a tsunami is coming
- Monitor the NOAA Weather Radio Service for tsunami warnings: <http://wcatwc.arh.noaa.gov/>. Authorities will issue a warning and tone alert only if they believe there is a potential threat of a tsunami.
- Quickly move students and staff to higher ground as far inland as possible. Follow instructions issued by local authorities. Planned evacuation routes may be blocked; bridges may be damaged. Every foot inland or upwards may make a difference.
- Notify superintendent of school status.
- Remain on safe ground until local authorities advise it is safe to return.

After

- Stay tuned to the National Weather Service for the latest emergency information. The tsunami may have damaged roads, bridges, and other structures that may be unsafe.
- Expect debris.
- Stay out of damaged buildings and those surrounded by water. Tsunami water can undermine foundations and cause walls and floors to collapse.
- Determine whether school will be closed or remain open.
- Notify superintendent of school status.
- Assign staff to activate staff and parent phone trees
- Post school status on school website.
- Arrange with authorities to check for broken or leaking gas lines, flooded electrical circuits, furnaces or electrical appliances. Flammable or explosive materials may come from upstream.

- Check food supplies and test drinking water. Discard food that has come in contact with flood waters. It may be contaminated and should be thrown out. Use tap water only if local health officials advise it is safe.
- Photograph the damage, both of the building and its contents, for insurance claims.

STAFF ACTIONS:

- If there is a coastal earthquake, initiate **TAKE COVER** with students in the shielded areas within the building. Stay away from windows.
- When the shaking stops, quickly move students and staff to higher ground, at least 100 feet above sea level and two miles inland. Buildings located in low-lying coastal areas are not safe. Do NOT stay in such buildings if there is a tsunami warning. Be careful to avoid downed power lines.
- Take attendance. Report any missing students to the principal/site administrator.
- Keep students and staff away from the beach. Watching a tsunami from the beach or cliffs could put them in grave danger. A second wave may be more destructive than the initial one. A tsunami can move faster than a person can escape it.
- Return to school only if authorities advise it is safe to do so.

- Use messengers with oral or written word as an alternate means of faculty notification.
- Notify LEA Office of loss of service.
- Implement plan to provide services without utilities or with alternate utilities.

A. Plan for Loss of Water

C. Plan for Loss of Natural Gas

Heat: If outage will be longer than 60 minutes, implement early dismissal procedures.

Food Service: If outage will be longer than 90 minutes, implement early dismissal procedures.

Educational Board Approved Policies

A2: Suspension and Expulsion Policy

Policy

As part of the educational mission of Albert Einstein Academies (hereafter “AEA” or “Charter School”), AEA administrators, faculty, and staff are responsible to ensure that AEA is a safe and secure environment. Consequently, administrators, faculty, and staff are tasked with watching out for the health, safety, and emotional welfare of all students.

This Pupil Suspension and Expulsion Policy has been established in order to promote learning and protect the safety and well being of all students at the AEA. In creating this policy, AEA has reviewed Education Code Section 48900 *et seq.* which describes the offenses for which students at non charter schools may be suspended or expelled and the procedures governing those suspensions and expulsions in order to establish its list of offenses and procedures for suspensions, expulsions and involuntary removal. The language that follows closely mirrors the language of Education Code Section 48900 *et seq.* The AEA is committed to annual review of policies and procedures surrounding suspensions, involuntary removals, and expulsions and, as necessary, modification of the lists of offenses for which students are subject to suspension, involuntary removal, or expulsion.

When the Policy is violated, it may be necessary to suspend or expel a student from regular classroom instruction. This policy shall serve as AEA’s policy and procedures for student suspension, involuntary removal, and expulsion and it may be amended from time to time without the need to amend the charter so long as the amendments comport with legal requirements.

AEA staff shall enforce disciplinary rules and procedures fairly and consistently among all students. This Policy and its Procedures will be printed and distributed annually as part of the Student Handbook and will clearly describe discipline expectations. Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of or willfully causing the infliction of physical pain on a student. For purposes of the Policy, corporal punishment does not include an employee’s use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to school property.

AEA administration shall ensure that students and their parents/guardians are notified in writing upon enrollment of all discipline and involuntary removal policies and procedures. The notice shall state that this Policy and Procedures are available on request at the Superintendent’s office. Suspended or expelled students shall be excluded from all school and school-related activities unless otherwise agreed during the period of suspension or expulsion.

A student identified as an individual with disabilities or for whom AEA has a basis of knowledge of a suspected disability pursuant to the Individuals with Disabilities Education Improvement Act of 2004 (“IDEIA”) or who is qualified for services under Section 504 of the Rehabilitation Act of 1973 (“Section 504”) is subject to the same grounds for suspension and expulsion and is

accorded the same due process procedures applicable to general education students except when federal and state law mandates additional or different procedures.

AEA will follow all applicable federal and state laws including but not limited to the applicable provisions of the California Education Code, when imposing any form of discipline on a student identified as an individual with disabilities or for whom AEA has a basis of knowledge of a suspected disability or who is otherwise qualified for such services or protections in according due process to such students.

No student shall be involuntarily removed by the Charter School for any reason unless the parent/guardian of the student has been provided written notice of intent to remove the student no less than five (5) school days before the effective date of the action. The written notice shall be in the native language of the student or the student's parent/guardian or, if the student is a foster child or youth or a homeless child or youth, the student's educational rights holder, and shall inform the student, the student's parent/guardian, or educational rights holder of the basis for which the student is being involuntarily removed and the student's parent, guardian, or educational rights holder's right to request a hearing to challenge the involuntary removal. If a student's parent, guardian, or educational rights holder requests a hearing, the Charter School shall utilize the same hearing procedures specified below for expulsions, before the effective date of the action to involuntarily remove the student. If the student's parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until the Charter School issues a final decision. As used herein, "involuntarily removed" includes disenrolled, dismissed, transferred, or terminated, but does not include removals for misconduct which may be grounds for suspension or expulsion as enumerated below. C. Suspension Procedure

Suspensions shall be initiated according to the following procedures:

1. Conference

A principal or designee (hereafter principal/designee) may order formal suspension from school. Suspension shall be preceded, if possible, by a conference conducted by the Superintendent or the Superintendent’s designee with the student and his or her parent/guardian and, whenever practical, the teacher, supervisor or AEA employee who referred the student to the Superintendent or designee.

The conference may be omitted if the Superintendent or designee determines that an emergency situation exists. An “emergency situation” involves a clear and present danger to the lives, safety or health of students or AEA personnel.

If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student’s right to return to school for the purpose of a conference.

At the conference, the pupil shall be informed of the reason for the disciplinary action and the evidence against him or her and shall be given the opportunity to present his or her version and evidence in his or her defense, in accordance with Education Code Section 47605(c)(5)(J)(i). This conference shall be held within two school days, unless the pupil

waives this right or is physically unable to attend for any reason including, but not limited to, incarceration or hospitalization. No penalties may be imposed on a pupil for failure of the pupil's parent or guardian to attend a conference with AEA officials. Reinstatement of the suspended pupil shall not be contingent upon attendance by the pupil's parent or guardian at the conference.

2. Notice to Parents/Guardians

At the time of the suspension, an administrator or designee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension and the date of return following suspension. This notice shall state the specific offense committed by the student and the date the student may return to school following suspension. In addition, the notice may also state the date and time when the student may return to school. If AEA officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may request that the parent/guardian respond to such requests without delay.

3. Suspension Time Limits/Recommendation for Expulsion

Suspensions, when not including a recommendation for expulsion, shall not exceed five (5) consecutive school days per suspension. Upon a recommendation of Expulsion by the Superintendent or Superintendent's designee, the pupil and the pupil's guardian or representative will be invited to a conference to determine if the suspension for the pupil should be extended pending an expulsion hearing. In such instances when the Charter School has determined a suspension period shall be extended, such extension shall be made only after a conference is held with the student or the student's parent/guardian, unless student and the student's parent/guardian fail to attend the conference.

This determination will be made by the Superintendent or designee upon either of the following: 1) the pupil's presence will be disruptive to the education process; or 2) the pupil poses a threat or danger to others. Upon either determination, the pupil's suspension will be extended pending the results of an expulsion hearing.

4. Homework Assignments During Suspension

In accordance with Education Code Section 47606.2(a), upon the request of a parent, a legal guardian or other person holding the right to make education decisions for the student, or the affected student, a teacher shall provide to a student in any of grades 1 to 12, inclusive, who has been suspended from school for two (2) or more school days, the homework that the student would otherwise have been assigned.

In accordance with Education Code Section 47606.2(b), if a homework assignment that is requested pursuant to Section 47606.2(a) and turned into the teacher by the student either upon the student's return to school from suspension or within the timeframe originally prescribed by the teacher, whichever is later, is not graded before the end of the academic term, that assignment shall not be included in the calculation of the student's overall grade in the class.

D. Authority to Expel

As required by Education Code Section 47605(c)(5)(J)(ii), students recommended for expulsion are entitled to a hearing adjudicated by a neutral officer to determine whether the student should be expelled. The procedures herein provide for such a hearing and the notice of said hearing, as required by law.

A student may be expelled following a hearing before the neutral and impartial AEA Administrative Expulsion Review Panel to be assigned by the Board of Directors as needed.

The AEA Administrative Expulsion Review Panel consists of at least three (3) charter school certificated (including retired), , who are neither a teacher of the student nor a member of the Charter School Board of Directors, such as counselors, teachers, vice principals or principals. Each entity shall be presided over by a designated neutral hearing chairperson. The AEA Administrative Expulsion Review Panel may recommend expulsion of any student found to have committed an expellable offense, and the Board of Directors shall make the final determination.

E. Expulsion Procedures

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Unless postponed for good cause, the hearing shall be held within thirty (30) school days after the Superintendent or designee determines that the Pupil has committed an expellable offense and recommends the student for expulsion.

In the event an AEA Administrative Expulsion Review Panel hears the case, it will make a recommendation to the Board for a final decision whether to expel. The hearing shall be held in closed session (complying with all pupil confidentiality rules under FERPA) unless the Pupil makes a written request for a public hearing in open session three (3) days prior to the date of the scheduled hearing.

Written notice of the hearing shall be forwarded to the student and the student's parent/guardian at least ten (10) calendar days before the date of the hearing. Upon mailing the notice, it shall be deemed served upon the pupil. The notice shall include:

1. The date and place of the expulsion hearing;
2. A statement of the specific facts, charges and offenses upon which the proposed expulsion is based;
3. A copy of AEA's disciplinary rules which relate to the alleged violation;
4. Notification of the student's or parent/guardian's obligation to provide information about the student's status at AEA to any other school district or school to which the student seeks enrollment;
5. The opportunity for the student and/or the student's parent/guardian to appear in person or to employ and be represented by counsel or a non-attorney advisor;
6. The right to inspect and obtain copies of all documents to be used at the hearing;
7. The opportunity to confront and question all witnesses who testify at the hearing;

8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf including witnesses.

F. The Stipulation Process

A stipulated agreement is made when a student's parent or guardian agrees that the student did commit an act included in the grounds for suspension and expulsion and is being recommended for expulsion. As part of reaching a stipulated agreement, the student and a parent or guardian will meet with the Principal or Superintendent to review the evidence gathered in the investigation of the incident leading to the expulsion recommendation. At that time, if the parent or guardian agrees to a stipulated decision, the student, parent or guardian and the Principal or Superintendent must all initial and agree upon the following:

1. They have been informed of and understand the right to due process with regard to the expulsion recommendation.
2. They have had the opportunity to review the reasons for the recommendation for expulsion and to discuss them with AEA personnel.
3. They agree to the facts as stated in the expulsion recommendation.

As part of a stipulated agreement, the student's parent or guardian waives a number of rights:

1. The right to an expulsion hearing.
2. All notices and timelines required by policy or law.
3. The right to be represented by an attorney at the expulsion hearing.
4. The right to inspect and have copies of the documents which would have been used at the hearing.
5. The right to confront and question all witnesses who would have testified at the hearing.
6. The right to question all written evidence presented.
7. The right to present witnesses and evidence on the student's behalf.

A student's parent or guardian may consult with an attorney about the stipulated expulsion process. The Board of Trustees must still vote to approve a stipulated expulsion agreement.

G. Special Procedures for Expulsion Hearings Involving Sexual Assault or Battery Offenses

AEA may, upon a finding of good cause, determine that the disclosure of either the identity of the witness or the testimony of that witness at the hearing, or both, would subject the witness to an unreasonable risk of psychological or physical harm.

Upon this determination, the testimony of the witness may be presented at the hearing in the form of sworn declarations that shall be examined only by AEA or the hearing officer. Copies of these sworn declarations, edited to delete the name and identity of the witness, shall be made available to the pupil.

1. The complaining witness in any sexual assault or battery case must be provided with a copy of the applicable disciplinary rules and advised of his/her right to (a) receive five (5) calendar days' notice of his/her scheduled testimony, (b) have up to two (2) adult support persons of his/her choosing present in the hearing at the time he/she testifies, which may include a parent, guardian, or legal counsel, and (c) elect to have the hearing closed while testifying.
2. AEA must also provide the victim a room separate from the hearing room for the complaining witness' use prior to and during breaks in testimony.
3. At the discretion of the entity conducting the expulsion hearing, the complaining witness shall be allowed periods of relief from examination and cross-examination during which he or she may leave the hearing room.
4. The entity conducting the expulsion hearing may also arrange the seating within the hearing room to facilitate a less intimidating environment for the complaining witness.
5. The entity conducting the expulsion hearing may also limit time for taking the testimony of the complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours.
6. Prior to a complaining witness testifying, the support persons must be admonished that the hearing is confidential. Nothing in the law precludes the entity presiding over the hearing from removing a support person whom the presiding person finds is disrupting the hearing. The entity conducting the hearing may permit any one of the support persons for the complaining witness to accompany him or her to the witness stand.
7. If one or both of the support persons is also a witness, AEA must present evidence that the witness' presence is both desired by the witness and will be helpful to AEA. The person presiding over the hearing shall permit the witness to stay unless it is established that there is a substantial risk that the testimony of the complaining witness would be influenced by the support person, in which case the presiding official shall admonish the support person or persons not to prompt, sway, or influence the witness in any way.

Nothing shall preclude the presiding officer from exercising his or her discretion to remove a entity from the hearing whom he or she believes is prompting, swaying, or influencing the witness.

8. The testimony of the support person shall be presented before the testimony of the complaining witness and the complaining witness shall be excluded from the courtroom during that testimony.
9. Especially for charges involving sexual assault or battery, if the hearing is to be conducted in public at the request of the pupil being expelled, the complaining witness shall have the right to have his/her testimony heard in a closed session when testifying at a public meeting would threaten serious psychological harm to the complaining witness and there are no alternative procedures to avoid the threatened harm. The alternative

procedures may include videotaped depositions or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.

10. Evidence of specific instances of a complaining witness' prior sexual conduct is presumed inadmissible and shall not be heard absent a determination by the entity conducting the hearing that extraordinary circumstances exist requiring the evidence be heard. Before such a determination regarding extraordinary circumstances can be made, the witness shall be provided notice and an opportunity to present opposition to the introduction of the evidence. In the hearing on the admissibility of the evidence, the complaining witness shall be entitled to be represented by a parent, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of the complaining witness is not admissible for any purpose.

H. Record of Hearing

A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made.

I. Presentation of Evidence

While technical rules of evidence do not apply to expulsion hearings, evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. A recommendation by the AEA Administrative Expulsion Review Panel to expel must be supported by substantial evidence that the student committed an expellable offense. Findings of fact shall be based solely on the evidence at the hearing. While hearsay evidence is admissible, no decision to expel shall be based solely on hearsay. Sworn declarations may be admitted as testimony from witnesses of whom the Board or AEA Administrative Expulsion Review Panel determines that disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

If, due to a written request by the expelled pupil, the hearing is held at a public meeting, and the charge is committing or attempting to commit a sexual assault or committing a sexual battery as defined in Education Code Section 48900, a complaining witness shall have the right to have his or her testimony heard in a session closed to the public.

J. Expulsion Decision

The decision of the AEA Administrative Expulsion Panel shall be in the form of written findings of fact and a written recommendation to the Board which will make a final determination regarding the expulsion. The final decision by the Board shall be made within ten (10) school days following the conclusion of the hearing. The Decision of the Board is final.

If the AEA Administrative Expulsion Review Panel decides not to recommend expulsion, or the Board of Directors ultimately decides not to expel, the pupil shall immediately be returned to his/her educational program.

The Board of Directors may also determine to suspend the enforcement of the expulsion order for a period of not more than one (1) calendar year from the date of the expulsion hearing and return the student to the student's previous educational program under a probationary status and rehabilitation plan to be determined by the Board. During the period of the suspension of the expulsion order, the student is deemed to be on probationary status. The Board of Directors may revoke the suspension of an expulsion order under this section if the student commits any of the enumerated offenses listed above or violates any of the Charter School's rules and regulations governing student conduct. If the Board revokes the suspension of an expulsion order, the student may be expelled under the terms of the original expulsion order. The Board of Directors shall apply the criteria for suspending the enforcement of the expulsion order equally to all students, including individuals with exceptional needs as defined in Education Code Section 56026. The Board of Directors shall further comply with the provisions set forth under Education Code Section 48917, except as otherwise expressly set forth herein.

K. Written Notice to Expel

The Superintendent or designee, following a decision of the Board to expel, shall send written notice of the decision to expel, including the Board's adopted findings of fact, to the student and student's parent/guardian. This notice shall also include the following: (a) Notice of the specific offense committed by the student; and (b) Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with AEA.

The Superintendent or designee shall send a copy of the written notice of the decision to expel to the authorizer. This notice shall include the following: (a) The student's name; and (b) The specific expellable offense committed by the student.

L. Disciplinary Records

AEA shall maintain records of all student suspensions and expulsions at AEA. Such records shall be made available to the authorizer upon request.

M. No Right to Appeal

The student shall have no right of appeal from expulsion from the Charter School as the Charter School Board of Directors' decision to expel shall be final.

N. Expelled Pupils/Alternative Education

Pupils who are expelled shall be responsible for seeking alternative education programs including, but not limited to, programs within the County or their school district of residence. AEA shall work cooperatively with parents/guardians as requested by parents/guardians or by the school district of residence to assist with locating alternative placements during expulsion.

O. Rehabilitation Plans

Students who are expelled from AEA shall be given a rehabilitation plan upon expulsion as developed by the Board at the time of the expulsion order, which may include, but is not limited to, periodic review as well as assessment at the time of review for readmission. The rehabilitation plan should include a date not later than one year from the date of expulsion when the pupil may reapply to AEA for readmission.

P. Readmission or Admission of Previously Expelled Students

The decision to readmit a pupil after the end of the pupil's expulsion term or to admit a previously expelled pupil from another school district or charter school who has not been readmitted/admitted to another school or school district at the end of the pupil's expulsion term, shall be in the sole discretion of the Board following a meeting with the Superintendent or designee and the pupil and the pupil's parent/guardian or representative to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to the school environment. The Superintendent or designee shall make a recommendation to the Board following the meeting regarding the Superintendent's or designee's determination. The Board shall then make a final decision regarding readmission or admission of the student during the closed session of a public meeting, reporting out any action taken during closed sessions consistent with the requirements of the Brown Act. The pupil's readmission is also contingent upon AEA's capacity at the time the student seeks readmission or admission to AEA.

Q. Notice to Teachers

The Charter School shall notify teachers of each student who has engaged in or is reasonably suspected to have engaged in any of the acts listed in Education Code Section 49079 and the corresponding enumerated offenses set forth above.

Q. Involuntary Removal for Truancy

As charter schools are schools of choice and as a charter school student who fails to attend school is potentially depriving another student of their opportunity to enroll, a student may be involuntarily removed as described within the Charter School's Board adopted Attendance Policy for truancy and only after the Charter School follows the requirements of the Attendance Policy and only in accordance with the policy described above which requires notice and an opportunity for a parent, guardian, educational rights holder to request a hearing prior to any involuntary removal. Students who are involuntarily removed for truancy will be given a rehabilitation plan and will be subject to the readmission procedures set forth herein.

R. Special Procedures for the Consideration of Suspension and Expulsion or Involuntary Removal of Students with Disabilities

1. Notification of SELPA

AEA shall immediately notify the SELPA and coordinate the procedures in this policy with the SELPA of the discipline of any student with a disability or student who AEA or SELPA would be deemed to have knowledge that the student had a disability.

2. Services During Suspension

Students suspended for more than ten (10) school days in a school year shall continue to receive services so as to enable the student to continue to participate in the general education curriculum, although, in another setting (which could constitute a change of placement and the student's IEP would reflect this change) and to progress toward meeting the goals set out in the child's IEP/504 Plan; and receive, as appropriate, a functional behavioral assessment, and behavioral intervention services and modifications, that are designed to address the behavior violation so that it does not recur. These services may be provided in an interim alternative educational setting.

3. Procedural Safeguards/Manifestation Determination

Within ten (10) school days of a recommendation for expulsion or any decision to change the placement of a child with a disability because of a violation of a code of student conduct, AEA, the parent, and relevant members of the IEP/504 Team shall review all relevant information in the student's file, including the child's IEP/504 Plan, any teacher observations, and any relevant information provided by the parents to determine:

- a. If the conduct in question was caused by, or had a direct and substantial relationship to, the child's disability; or
- b. If the conduct in question was the direct result of the local educational agency's failure to implement the IEP/504 Plan.

If AEA, the parent, and relevant members of the IEP/504 Team determine that either of the above is applicable for the child, the conduct shall be determined to be a manifestation of the child's disability.

If AEA, the parent, and relevant members of the IEP/504 Team make the determination that the conduct was a manifestation of the child's disability, the IEP/504 Team shall:

- a. Conduct a functional behavioral assessment, and implement a behavioral intervention plan for such child, provided that AEA had not conducted such assessment prior to such determination before the behavior that resulted in a change in placement;
- b. If a behavioral intervention plan has been developed, review the behavioral intervention plan if the child already has such a behavioral intervention plan, and modify it, as necessary, to address the behavior; and
- c. Return the child to the placement from which the child was removed, unless the parent/guardian and AEA agree to a change of placement as part of the modification of the behavioral intervention plan.

If AEA, the parent/guardian, and relevant members of the IEP/504 Team determine that the behavior was not a manifestation of the student's disability and that the conduct in question was not a direct result of the failure to implement the IEP/504 Plan, then AEA may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures would be applied to students without disabilities.

4. Due Process Appeals

The parent/guardian of a child with a disability who disagrees with any decision regarding placement, or the manifestation determination, or AEA believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, may request an expedited administrative hearing through the Special Education Unit of the Office of Administrative Hearings or by utilizing the dispute provisions of the 504 Policy and Procedures.

When an appeal relating to the placement of the student or the manifestation determination has been requested by either the parent/guardian or AEA, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer in accordance with state and federal law, including 20 U.S.C. Section 1415(k), until the expiration of the forty-five (45) day time period provided for in an interim alternative educational setting, unless the parent/guardian and AEA agree otherwise.

In accordance with 20 U.S.C. Section 1415(k)(3), if a parent/guardian disagrees with any decision regarding placement, or the manifestation determination, or if the Charter School believes that maintaining the current placement of the child is substantially likely to result in injury to the child or to others, the parent/guardian or Charter School may request a due process hearing.

After a due process hearing, a hearing officer may: (1) return a child with a disability to the placement from which the child was removed; or (2) order a change in placement of a child with a disability to an appropriate interim alternative educational setting for not more than 45 school days if the hearing officer determines that maintaining the current placement of such child is substantially likely to result in injury to the child or to others.

5. Special Circumstances

AEA personnel may consider any unique circumstances on a case-by-case basis when determining whether to order a change in placement for a child with a disability who violates a code of student conduct.

The Superintendent or designee may remove a student to an interim alternative educational setting for not more than forty-five (45) school days without regard to whether the behavior is determined to be a manifestation of the student's disability in cases where a student:

- a. Carries or possesses a weapon, as defined in 18 U.S.C. Section 930, to or at school, on school premises, or to or at a school function;
- b. Knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance, while at school, on school premises, or at a school function; or
- c. Has inflicted serious bodily injury, as defined by 20 U.S.C. Section 1415(k)(7)(D), upon a person while at school, on school premises, or at a school function.

6. Interim Alternative Educational Setting

The student's interim alternative educational setting shall be determined by the student's IEP/504 Team.

7. Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been identified as an individual with disabilities pursuant to IDEA and who has violated AEA's disciplinary procedures may assert the procedural safeguards granted under this administrative regulation only if AEA had knowledge that the student was disabled before the behavior occurred.

AEA shall be deemed to have knowledge that the student had a disability if one of the following conditions exists:

- a. The parent/guardian has expressed concern in writing, or orally if the parent/guardian does not know how to write or has a disability that prevents a written statement, to AEA supervisory or administrative personnel, or to one of the child's teachers, that the student is in need of special education or related services.
- b. The parent/guardian has requested an evaluation of the child.
- c. The child's teacher, or other AEA personnel, has expressed specific concerns about a pattern of behavior demonstrated by the child, directly to the director of special education or to other AEA supervisory personnel.

If AEA knew or should have known the student had a disability under any of the three (3) circumstances described above, the student may assert any of the protections available to IDEA-eligible children with disabilities, including the right to stay-put.

If AEA had no basis for knowledge of the student's disability, it shall proceed with the proposed discipline. The AEA shall conduct an expedited evaluation if requested by the parents; however the student shall remain in the education placement determined by the AEA pending the results of the evaluation.

AEA shall not be deemed to have knowledge that the student had a disability if the parent/guardian has not allowed an evaluation, refused services, or if the student has been evaluated and determined to not be eligible.

D. Procedures for Notifying Teachers of Dangerous Pupils

In order to fulfill the requirements made by Education Code 49079 and Welfare and Institutions Code 827 that state teachers must be notified of the reason(s) a student has been suspended. Albert Einstein Academies has incorporated this notification into the existing "Attendance Reporting screen". On the daily attendance report, when a student is suspended, will show an "*" next to the student's name. The teacher can access the suspension by looking at the student's discipline screen. The information provided is for the student's current teachers only. All information regarding suspension and expulsion is **CONFIDENTIAL**, is not to be shared with any student(s) or parent(s). Teachers are asked to secure the list so students and others may not view it.

Pursuant to Welfare & Institution Code 827(b) and Education Code 48267, the Court notifies the Superintendent of Albert Einstein Academies regarding students who have engaged in certain criminal conduct. This information is forwarded to the site Principal. The site Principal is responsible for prompt notification of the student's teachers. Per Education Code 49079, this information must be kept confidential. This information is also forwarded to all administrators and the student's counselor.

E. Discrimination & Harassment Policy

AEA Community Board Approved Policies

C1: Comprehensive Complaint Policy

INTERNAL COMPLAINT REVIEW

The purpose of the “Internal Complaint Review Policy” is to afford all employees of the Albert Einstein Academies (“the School”) the opportunity to seek internal resolution of their work-related concerns. All employees have free access to the Principal, Superintendent, or Board of Trustees to express their work-related concerns.

Specific complaints of unlawful harassment, discrimination, and retaliation are addressed under the School’s “Title IX, Harassment, Intimidation, Discrimination, and Bullying Policy.”

Internal Complaints

(Complaints by Employees Against Employees)

This section of the policy is for use when a Charter School employee raises a complaint or concern about a co-worker.

If reasonably possible, internal complaints should be resolved at the lowest possible level, including attempts to discuss/resolve concerns with the immediate supervisor. However, in the event an informal resolution may not be achieved or is not appropriate, the following steps will be followed by the Principal or designee:

1. The complainant will bring the matter to the attention of the Principal or designee as soon as possible after attempts to resolve the complaint with the immediate supervisor have failed or if not appropriate; and
2. The complainant will reduce his or her complaint to writing, indicating all known and relevant facts. The Principal or designee will then investigate the facts and provide a solution or explanation;
3. If the complaint is about the Principal, the complainant may submit their complaint to the Superintendent. If the complaint is against the Superintendent, the complainant may file his or her complaint in a signed writing to the Chair of the Board of Trustees of the School, who will then confer with the Board and may conduct a fact-finding or authorize a third party investigator on behalf of the

Board. The Board Chair or investigator will report his or her findings to the Board for review and action, if necessary.

This policy cannot guarantee that every problem will be resolved to the employee's satisfaction. However, the School values each employee's ability to express concerns and the need for resolution without fear of adverse consequence to employment.

Policy for Complaints Against Employees

(Complaints by Third Parties Against Employees)

This section of the policy is for use when a non-employee raises a complaint or concern about a Charter School employee.

If complaints cannot be resolved informally, complainants may file a written complaint with the office of the Principal, the Superintendent (if the complaint concerns the Principal), or Board President (if the complaint concerns the Superintendent) as soon as possible after the events that give rise to the complainant's concerns. The written complaint should set forth in detail the factual basis for the complaint.

In processing the complaint, Principal (or designee) shall abide by the following process:

1. The Principal or designee shall use his or her best efforts to talk with the parties identified in the complaint and to ascertain the facts relating to the complaint.
2. In the event that the Principal (or designee) finds that a complaint against an employee is valid, the Principal (or designee) may take appropriate disciplinary action against the employee. As appropriate, the Principal (or designee) may also simply counsel/reprimand employees as to their conduct without initiating formal disciplinary measures.
3. The Principal's (or designee's) decision relating to the complaint shall be final unless it is appealed to the Board of Trustees of the Charter School. The decision of the Board of Trustees shall be final.

General Requirements

1. Confidentiality: All complainants will be notified that information obtained from the complainants and thereafter gathered will be maintained in a manner as confidential as possible, but in some circumstances absolute confidentiality cannot be assured.

2. Non-Retaliation: All complainants will be advised that they will be protected against retaliation as a result of the filing of any complaints or participation in any complaint process.

3. Resolution: The Board (if a complaint is about the Superintendent), the Superintendent (if a complaint is about the Principal), or the Principal or designee will investigate complaints appropriately under the circumstances and pursuant to the applicable procedures, and if necessary, take appropriate remedial measures to ensure effective resolution of any complaint.

B. TITLE IX, HARASSMENT, INTIMIDATION, DISCRIMINATION, AND BULLYING POLICY

Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with students' ability to learn, negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, Albert Einstein Academies ("AEA" or "Charter School") prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of mental or physical disability, sex (including pregnancy and related conditions, and parental status), sexual orientation, gender, gender identity, gender expression, immigration status,

nationality (including national origin, country of origin, and citizenship), race or ethnicity (including ancestry, color, ethnic group identification, ethnic background, and traits historically associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locks, and twist), religion (including agnosticism and atheism), religious affiliation, medical condition, genetic information, marital status, age or association with a person or group with one or more of these actual or perceived characteristics or based on any other characteristic protected under applicable state or federal law or local ordinance. Hereafter, such actions are referred to as “misconduct prohibited by this Policy.”

To the extent possible, the Charter School will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. AEA school staff who witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

Moreover, the Charter School will not condone or tolerate misconduct prohibited by this Policy by any employee, independent contractor or other person with whom AEA does business, or any other individual, student, or volunteer. This Policy applies to all employees, students, or volunteer actions and relationships, regardless of position or gender. AEA will promptly and thoroughly investigate and respond to any complaint of misconduct prohibited by this Policy in a manner that is not deliberately indifferent and will take appropriate corrective action, if warranted. AEA complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports of misconduct prohibited by this Policy.

The illustrations of harassment and sexual harassment above are not to be construed as an all-inclusive list of prohibited acts under this Policy.

Prohibited Bullying

Bullying is defined as any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act. Bullying includes one or more acts committed by a student or group of students that may constitute sexual harassment, hate violence, or creates an intimidating and/or hostile educational environment, directed toward one or more students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing a reasonable student [1] or students in fear of harm to that student's or those students' person or property.
2. Causing a reasonable student to experience a substantially detrimental effect on the student's physical or mental health.
3. Causing a reasonable student to experience a substantial interference with the student's academic performance.
4. Causing a reasonable student to experience a substantial interference with the student's ability to participate in or benefit from the services, activities, or privileges provided by AEA.

Cyberbullying is an electronic act that includes the transmission of harassing communication, direct threats, or other harmful texts, sounds, or images on the Internet, social media, or other technologies using a telephone, computer, or any wireless communication device. Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage that person's reputation.

Electronic act means the creation or transmission originated on or off the schoolsite, by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager, of a communication, including, but not limited to, any of the following:

1. A message, text, sound, video, or image.
2. A post on a social network Internet Web site including, but not limited to:
 1. Posting to or creating a burn page. A “burn page” means an Internet Web site created for the purpose of having one or more of the effects as listed in the definition of “bullying,” above.
 2. Creating a credible impersonation of another actual student for the purpose of having one or more of the effects listed in the definition of “bullying,” above. “Credible impersonation” means to knowingly and without consent impersonate a student for the purpose of bullying the student and such that another student would reasonably believe, or has reasonably believed, that the student was or is the student who was impersonated.

A photograph or other visual recording, as described above, shall include the depiction of a nude, semi-nude, or sexually explicit photograph or other visual recording of a minor where the minor is identifiable from the photograph, visual recording, or other electronic act.
 - b. “Cyber sexual bullying” does not include a depiction, portrayal, or image that has any serious literary, artistic, educational, political, or scientific value or that involves athletic events or school-sanctioned activities.
4. Notwithstanding the definitions of “bullying” and “electronic act” above, an electronic act shall not constitute pervasive conduct solely on the basis that it has been transmitted on the Internet or is currently posted on the Internet.

Formal Complaint of Sexual Harassment means a written document filed and signed by a complainant who is participating in or attempting to participate in AEA’s education program or activity or signed by the Coordinator alleging sexual harassment against a respondent and requesting that AEA investigate the allegation of sexual harassment.

Respondent means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

Bullying and Cyberbullying Prevention Procedures

AEA has adopted the following procedures for preventing acts of bullying, including cyberbullying.

1. Cyberbullying Prevention Procedures

AEA advises students:

- a. To never share passwords, personal data, or private photos online.
- b. To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.
- c. That personal information revealed on social media can be shared with anyone including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.
- d. To consider how it would feel receiving such comments before making comments about others online.

AEA informs Charter School employees, students, and parents/guardians of AEA's policies regarding the use of technology in and out of the classroom. AEA encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

2. Education

AEA employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening. AEA advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at AEA and encourages students to practice compassion and respect each other.

Charter School educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other students based on protected characteristics.

AEA's bullying prevention education also discusses the differences between appropriate and inappropriate behaviors and includes sample situations to help students learn and practice appropriate behavior and to develop techniques and strategies to respond in a non-aggressive way to bullying-type behaviors. Students will also develop confidence and learn how to advocate for themselves and others, and when to go to an adult for help.

AEA informs AEA employees, students, and parents/guardians of this Policy and encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

3. Professional Development

AEA annually makes available the online training module developed by the California Department of Education pursuant Education Code section 32283.5(a) to its certificated employees and all other AEA employees who have regular interaction with students.

AEA informs certificated employees about the common signs that a student is a target of bullying including:

- Physical cuts or injuries
- Lost or broken personal items
- Fear of going to school/practice/games
- Loss of interest in school, activities, or friends
- Trouble sleeping or eating
- Anxious/sick/nervous behavior or distracted appearance
- Self-destructiveness or displays of odd behavior
- Decreased self-esteem

Charter School also informs certificated employees about the groups of students determined by AEA, and available research, to be at elevated risk for bullying. These groups include but are not limited to:

- Students who are lesbian, gay, bisexual, transgender, or questioning youth (“LGBTQ”) and those youth perceived as LGBTQ; and
- Students with physical or learning disabilities.

AEA encourages its employees to demonstrate effective problem-solving, anger management, and self-confidence skills for AEA’s students.

Grievance Procedures

1. Scope of Grievance Procedures

AEA will comply with its Uniform Complaint Procedures (“UCP”) policy when investigating and responding to complaints alleging unlawful harassment, discrimination, intimidation or bullying against a protected group or on the basis of a person’s association with a person or group with one or more of the protected characteristics set forth in the UCP that:

- a. Are written and signed;
- b. Filed by an individual who alleges that that individual has personally suffered unlawful discrimination, harassment, intimidation or bullying, or by one who believes any specific class of individuals has been subjected to discrimination, harassment, intimidation or bullying prohibited by this part, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying; and

- c. Submitted to the AEA UCP Compliance Officer not later than six (6) months from the date the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying.

The following grievance procedures shall be utilized for reports of misconduct prohibited by this Policy that do not comply with the writing, timeline, or other formal filing requirements of a uniform complaint. For formal complaints of sexual harassment, AEA will utilize the following grievance procedures in addition to its UCP when applicable.

2. Reporting

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this Policy, to intervene when safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this Policy.

Any student who believes they have been subject to misconduct prohibited by this Policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Coordinator:

Cathy Montes – Operations Manager
458 26th Street
San Diego, California 92102
cmontes@aeacs.org
619-780-0400

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. AEA will investigate and respond to all oral and written reports of misconduct prohibited by this Policy in a manner that is not deliberately indifferent. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Students are expected to report all incidents of misconduct prohibited by this Policy or other verbal, or physical abuses. Any student who feels they are a target of such behavior should immediately contact a teacher, counselor, the Superintendent, Coordinator, a staff person or a family member so that the student can get assistance in resolving the issue in a manner that is consistent with this Policy.

AEA acknowledges and respects every individual's right to privacy. All reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

AEA prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a grievance using the procedures set forth in this Policy. Knowingly making false statements or knowingly submitting false information during the grievance process is prohibited and may result in disciplinary action.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All staff, and any individual designated as a coordinator, investigator or decision-maker will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

3. Supportive Measures

Upon the receipt of an informal or formal complaint of sexual harassment, the Coordinator will promptly contact the complainant to discuss the availability of supportive measures. The Coordinator will consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint of sexual harassment, and explain the process for filing a formal complaint of sexual harassment.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint of sexual harassment or where no formal complaint of sexual harassment has been filed. Such measures are designed to restore or preserve equal access to AEA's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or AEA's educational environment, or deter sexual harassment. Supportive measures available to complainants and respondents may include but are not limited to counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. AEA will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of AEA to provide the supportive measures.

4. Investigation and Response

Upon receipt of a report of misconduct prohibited by this Policy from a student, staff member, parent, volunteer, visitor or affiliate of AEA, the Coordinator (or administrative designee) will promptly initiate an investigation. In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the Coordinator (or administrative designee) determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the Coordinator (or administrative designee) will inform the complainant of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.

At the conclusion of the investigation, the Coordinator (or administrative designee) will meet with the complainant and, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation, including any actions necessary to resolve the incident/situation. However, the Coordinator (or administrative designee) will not reveal confidential information related to other students or employees.

For investigations of and responses to formal complaints of sexual harassment, the following grievance procedures will apply:

· **Notice of the Allegations**

- o Upon receipt of a formal complaint of sexual harassment, the Coordinator will give all known parties written notice of its grievance process, including any voluntary informal resolution process. The notice will include:
 - § A description of the allegations of sexual harassment at issue and to the extent known, the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident;
 - § A statement that the respondent is presumed not responsible for the alleged conduct until a final decision is reached;
 - § A statement that the parties may have an advisor of their choice, who may be an attorney, and may inspect and review evidence; and
 - § A statement that AEA prohibits an individual from knowingly making false statements or knowingly submitting false information during the grievance process.

· **Emergency Removal**

- o AEA may place a non-student employee respondent on administrative leave during the pendency of a formal complaint of sexual harassment grievance process in accordance with AEA's policies.
- o AEA may remove a respondent from AEA's education program or activity on an emergency basis, in accordance with AEA's policies, provided that AEA undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.
- o This provision may not be construed to modify any rights under the IDEA, Section 504, or the ADA.

Informal Resolution

- o If a formal complaint of sexual harassment is filed, AEA may offer a voluntary informal resolution process, such as mediation, to the parties at any time prior to reaching a determination regarding responsibility. If AEA offers such a process, it will do the following:
 - § Provide the parties with advance written notice of:
 - The allegations;
 - The requirements of the voluntary informal resolution process including the circumstances under which the parties are precluded from resuming a formal complaint of sexual harassment arising from the same allegations;
 - The parties' right to withdraw from the voluntary informal resolution process and resume the grievance process at any time prior to agreeing to a resolution; and
 - Any consequences resulting from participating in the voluntary informal resolution process, including the records that will be maintained or could be shared; and
 - § Obtain the parties' advance voluntary, written consent to the informal resolution process.
- o AEA will not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

Investigation Process

- o The decision-maker will not be the same person(s) as the Coordinator or the investigator. AEA shall ensure that all decision-makers and investigators do not have a conflict of interest or bias for or against complainants or respondents.
- o In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the investigator determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the investigator will inform the complainant and any respondents in writing of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.
- o The parties will be provided with an equal opportunity to present witnesses, to inspect and review any evidence obtained that is directly related to the allegations raised, and to have an advisor present during any investigative meeting or interview.
- o The parties will not be prohibited from discussing the allegations under investigation or to gather and present relevant evidence.
- o A party whose participation is invited or expected at an investigative meeting or interview will receive written notice of the date, time, location, participants, and purpose of the meeting or interview with sufficient time for the party to prepare to participate.

- o Prior to completion of the investigative report, AEA will send to each party and the party's advisor, if any, a copy of the evidence subject to inspection and review, and the parties will have at least ten (10) days to submit a written response for the investigator's consideration prior to the completion of the investigation report.
- o The investigator will complete an investigation report that fairly summarizes all relevant evidence and send a copy of the report to each party and the party's advisor, if any, at least ten (10) days prior to the determination of responsibility.

Dismissal of a Formal Complaint of Sexual Harassment

- o If the investigation reveals that the alleged harassment did not occur in AEA's educational program in the United States or would not constitute sexual harassment even if proved, the formal complaint with regard to that conduct must be dismissed. However, such a dismissal does not preclude action under another applicable AEA policy.
- o AEA may dismiss a formal complaint of sexual harassment if:
 - § The complainant provides a written withdrawal of the complaint to the Coordinator;
 - § The respondent is no longer employed or enrolled at AEA; or
 - § The specific circumstances prevent AEA from gathering evidence sufficient to reach a decision on the formal complaint or the allegations therein.
- o If a formal complaint of sexual harassment or any of the claims therein are dismissed, AEA will promptly send written notice of the dismissal and the reason(s) for the dismissal simultaneously to the parties.

Determination of Responsibility

- o The standard of evidence used to determine responsibility is the preponderance of the evidence standard.
- o Determinations will be based on an objective evaluation of all relevant evidence and credibility determinations will not be based on a person's status as a complainant, respondent, or witness.
- o AEA will send a written decision on the formal complaint to the complainant and respondent simultaneously that describes:
 - § The allegations in the formal complaint of sexual harassment;
 - § All procedural steps taken including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
 - § The findings of facts supporting the determination;
 - § The conclusions about the application of AEA's code of conduct to the facts;
 - § The decision and rationale for each allegation;

§ Any disciplinary sanctions the recipient imposes on the respondent, and whether remedies designed to restore or preserve equal access to the education program or activity will be provided to the complainant; and
§ The procedures and permissible bases for appeals.

5. Consequences

Students or employees who engage in misconduct prohibited by this Policy, knowingly make false statements or knowingly submit false information during the grievance process may be subject to disciplinary action up to and including expulsion from AEA or termination of employment. The Coordinator is responsible for effective implementation of any remedies ordered by AEA in response to a formal complaint of sexual harassment.

6. Right of Appeal

Should the reporting individual find AEA's resolution unsatisfactory, the reporting individual may, within five (5) business days of notice of AEA's decision or resolution, submit a written appeal to the Chair of the AEA Board, who will review the investigation and render a final decision.

The following appeal rights and procedures will also apply to formal complaints of sexual harassment:

- The complainant and the respondent shall have the same appeal rights and AEA will implement appeal procedures equally for both parties.
- AEA will notify the other party in writing when an appeal is filed.
- The decision-maker for the appeal will give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome; issue a written decision describing the result of the appeal and the rationale for the result; and provide the written decision simultaneously to both parties.

7. Recordkeeping

All records related to any investigation of complaints under this Policy are maintained in a secure location.

AEA will maintain the following records for at least seven (7) years:

- Records of each sexual harassment investigation, including any determination of responsibility; any audio or audiovisual recording or transcript; any disciplinary sanctions imposed on the respondent; and any remedies provided to the complainant.
- Records of any appeal of a formal sexual harassment complaint and the results of that appeal.
- Records of any informal resolution of a sexual harassment complaint and the results of that informal resolution.

- All materials used to train Title IX coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.
- Records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment.

- b. “Pupil fee” means a fee, deposit or other charge imposed on students, or a student’s parents/guardians, in violation of Education Code section 49011 and Section 5 of Article IX of the California Constitution, which require educational activities to be provided free of charge to all students without regard to their families’ ability or willingness to pay fees or request special waivers, as provided for in *Hartzell v. Connell* (1984) 35 Cal.3d 899. A pupil fee includes, but is not limited to, all of the following:

c. A pupil fees complaint and complaints regarding local control and accountability plans (“LCAP”) only, may be filed anonymously (without an identifying signature), if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance with Education Code sections 52060 - 52077, including an allegation of a violation of Education Code sections 47606.5 or 47607.3, as referenced in Education Code section 52075, regarding local control and accountability plans.

d. e. Nothing in this Policy shall be interpreted to prohibit solicitation of voluntary donations of funds or property, voluntary participation in fundraising activities, or AEA and other entities from providing student prizes or other recognition for voluntarily participating in fundraising activities.

4. Complaints alleging noncompliance with the requirements governing the Local Control Funding Formula (“LCFF”) or LCAP under Education Code sections 47606.5 and 47607.3, as applicable. If AEA adopts a School Plan for Student Achievement in addition to its LCAP, complaints of noncompliance with the requirements of the School Plan for Student Achievement under Education Code sections 64000, 64001, 65000, and 65001 shall also fall under this Policy.

Complaints alleging noncompliance regarding child nutrition programs established pursuant to Education Code sections 49490-49590 are governed by Title 7, Code of Federal Regulations (“C.F.R.”) sections 210.19(a)(4), 215.1(a), 220.13(c), 225.11(b), 226.6(n), and 250.15(d) and Title 5, California Code of Regulations (“C.C.R.”) sections 15580 - 15584.

Complaints alleging noncompliance regarding special education programs established pursuant to Education Code sections 56000-56865 and 59000-59300 are governed by the procedures set forth in 5 C.C.R. sections 3200-3205 and 34 C.F.R. sections 300.151-300.153.

The Charter School acknowledges and respects every individual’s rights to privacy. Unlawful discrimination, harassment, intimidation or bullying complaints shall be investigated in a manner that protects (to the greatest extent reasonably possible and as permitted by law) confidentiality of the parties, including but not limited to the identity of the complainant, and maintains the integrity of the process. Charter School cannot guarantee anonymity of the complainant. This includes keeping the identity of the complainant confidential. However, AEA will attempt to do so

as appropriate. AEA may find it necessary to disclose information regarding the complaint/complainant to the extent required by law or necessary to carry out the investigation or proceedings, as determined by the Principal or designee on a case-by-case basis. AEA shall ensure that complainants are protected from retaliation.

2. A statement clearly identifying any California State preschool programs that AEA is operating as exempt from licensing pursuant to Health and Safety Code section 1596.792(o) and corresponding Title 5 health and safety regulations, and any California State preschool programs that AEA is operating pursuant to Title 22 licensing requirements.
3. A statement that AEA is primarily responsible for compliance with federal and state laws and regulations.

7. A statement that the complainant has a right to appeal AEA's decision to the CDE by filing a written appeal within thirty (30) calendar days of the date of AEA's decision, except if AEA has used its UCP to address a complaint that is not subject to the UCP requirements.
8. A statement that a complainant who appeals AEA's decision on a UCP complaint to the CDE shall receive a written appeal decision within sixty (60) calendar days of the CDE's receipt of the appeal, unless extended by written agreement with the complainant or the CDE documents exceptional circumstances and informs the complainant.
9. A statement that if AEA finds merit in a UCP complaint, or the CDE finds merit in an appeal, AEA shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

10. A statement advising the complainant of any civil law remedies that may be available under state or federal discrimination, harassment, intimidation or bullying laws, if applicable, and of the appeal pursuant to Education Code section 262.3.
11. A statement that copies of AEA's UCP shall be available free of charge.

Procedures

The following procedures shall be used to address all complaints which allege that the Charter School has violated federal or state laws or regulations enumerated in the "Scope" section above. The compliance officer shall maintain a record of each complaint and subsequent related actions for at least three (3) calendar years.

All parties named shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

- **Step 1: Filing of Complaint**

Any individual, including a person's duly authorized representative or an interested third party, public agency, or organization may file a written complaint of alleged noncompliance or unlawful discrimination, harassment, intimidation or bullying pursuant to this Policy.

A complaint of unlawful discrimination, harassment, intimidation or bullying may be filed by an individual who alleges that that individual has personally suffered unlawful discrimination, harassment, intimidation or bullying or by one who believes any specific class of individuals has been subjected to unlawful discrimination, harassment, intimidation or bullying, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying. An investigation of alleged unlawful discrimination, harassment, intimidation or bullying shall be initiated by filing a complaint no later than six (6) months from the date the alleged discrimination, harassment, intimidation or bullying occurred, or the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying unless the time for filing is extended by the Principal or designee, upon written request by the complainant setting forth the reasons for the extension. Such extension by the Principal or designee shall be made in writing. The period for filing may be extended by the Principal or designee for good cause for a period not to exceed ninety (90) calendar days following the expiration of the six-month time period. The Principal or designee shall respond immediately upon a receipt of a request for extension.

All other complaints under this Policy shall be filed not later than one (1) year from the date the alleged violation occurred. For complaints relating to the LCAP, the date of the alleged violation is the date on which the AEA Board of Trustees approved the LCAP or the annual update was adopted by AEA.

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and date stamp.

Complaints filed pursuant to this Policy must be in writing and signed. A signature may be handwritten, typed (including in an email) or electronically generated. Only complaints regarding pupil fees or LCAP compliance may be filed anonymously as set forth in this Policy. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, Charter School staff shall assist the complainant in the filing of the complaint.

- **Step 2: Mediation**

Within three (3) business days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make arrangements for this process.

Before initiating the mediation of an unlawful discrimination, harassment, intimidation, or bullying complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the complaint to the satisfaction of the complainant, the compliance officer shall proceed with the investigation of the complaint.

The use of mediation shall not extend the Charter School's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

- **Step 3: Investigation of Complaint**

The compliance officer is encouraged to hold an investigative meeting within five (5) business days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or the complainant's representative to repeat the complaint orally.

The complainant and/or the complainant's representative shall have an opportunity to present evidence or information leading to evidence to support the allegations in the complaint.

A complainant's refusal to provide the compliance officer with documents or other evidence related to the allegations in the complaint, or a complainant's failure or refusal to cooperate in the investigation or the complainant's engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

The Charter School's refusal to provide the compliance officer with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

- **Step 4: Final Written Decision**

AEA shall issue an investigation report (the "Decision") based on the evidence. AEA's Decision shall be in writing and sent to the complainant within sixty (60) calendar days of AEA's receipt unless the timeframe is extended with the written agreement of the complainant. AEA's Decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The decision shall include:

1. The findings of fact based on evidence gathered.
2. The conclusion providing a clear determination for each allegation as to whether AEA is in compliance with the relevant law.
3. Corrective actions, if AEA finds merit in the complaint and any are warranted or required by law.
4. Notice of the complainant's right to appeal the Charter School's decision within thirty (30) days to the CDE, except when AEA has used its UCP to address complaints that are not subject to the UCP requirements.
5. Procedures to be followed for initiating such an appeal.

If an employee is disciplined as a result of the complaint, the Decision shall simply state that effective action was taken and that the employee was informed of the Charter School's expectations. The Decision shall not give any further information as to the nature of the disciplinary action, except as required by applicable law.

Appeals to the CDE

If dissatisfied with the Decision, the complainant may appeal in writing to the CDE within thirty (30) days of receiving the Decision. The appeal shall be accompanied by a copy of the complaint filed with AEA and a copy of the Decision. When appealing to the CDE, the complainant must specify and explain the basis for the appeal, including at least one of the following:

1. AEA failed to follow its complaint procedures.
2. Relative to the allegations of the complaint, AEA's Decision lacks material findings of fact necessary to reach a conclusion of law.
3. The material findings of fact in AEA's Decision are not supported by substantial evidence.

4. The legal conclusion in AEA's Decision is inconsistent with the law.
5. In a case in which AEA's Decision found noncompliance, the corrective actions fail to provide a proper remedy.

Upon notification by the CDE that the complainant has appealed the Decision, the Principal or designee shall forward the following documents to the CDE within ten (10) calendar days of the date of notification:

1. A copy of the original complaint.
2. A copy of the Decision.
3. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by the parties or gathered by the investigator.
4. A report of any action taken to resolve the complaint.
5. A copy of the Charter School's complaint procedures.
6. Other relevant information requested by the CDE.

If the CDE determines the appeal raises issues not contained in the local complaint, the CDE will refer those new issues back to AEA for resolution as a new complaint. If the CDE notifies AEA that its Decision failed to address an allegation raised by the complaint and subject to the UCP process, AEA will investigate and address such allegation(s) in accordance with the UCP requirements and provide the CDE and the appellant with an amended Decision addressing such allegation(s) within twenty (20) calendar days of the CDE's notification. The amended Decision will inform the appellant of the right to separately appeal the amended Decision with respect to the complaint allegation(s) not addressed in the original Decision.

Within thirty (30) calendar days of the date of the CDE's appeal Decision pursuant to 5 C.C.R. section 4633(f)(2) or (3), either party may request reconsideration by the State Superintendent of Public Instruction ("SSPI") or the SSPI's designee. The request for reconsideration shall specify and explain the reason(s) for contesting the findings of fact, conclusions of law, or corrective actions in the CDE's appeal Decision. The SSPI will not consider any information not previously submitted to the CDE by a party during the appeal unless such information was unknown to the party at the time of the appeal and, with due diligence, could not have become known to the party. Pending the SSPI's response to a request for reconsideration, the CDE appeal Decision remains in effect and enforceable, unless stayed by a court.

The CDE may directly intervene in the complaint without waiting for action by the Charter School when one of the conditions listed in 5 C.C.R. section 4650 exists, including but not limited to cases in which through no fault of the complainant, AEA has not taken action within sixty (60) calendar days of the date the complaint was filed with the Charter School.

Civil Law Remedies

A complainant may pursue available civil law remedies outside of the Charter School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but

are not limited to, injunctions and restraining orders. For unlawful discrimination complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the Charter School has appropriately, and in a timely manner, apprised the complainant of their right to file a complaint.

AEACS Safe Ingress and Egress - Visitation Policy

Educational Board Approved Policies

A1: Conditions for Classroom and School Visitation, Communication, and Removal Policy

The Albert Einstein Academies encourages parents/guardians and interested members of the community to visit our Schools and view the educational programs. AEA values parents and community members as partners, and is committed to balancing an accessible campus with the rights of all students, teachers, and staff to a safe and orderly learning and working environment. To achieve these desired goals, the Board hereby adopts this visitor and communication policy to be implemented at all AEA school campuses.

A. Visitors

To ensure the safety of students and staff as well as to minimize interruption of the instructional program, AEA has established the following procedures to facilitate visits, including parent visits, during regular school hours:

1. Visits during school hours should first be arranged with the teacher and/or principal or designee, at least one (1) school day in advance of the school visit. If a conference is desired, an appointment should be set with the teacher during non-instructional time, at least one (1) school day in advance. Parents seeking to visit a classroom during school hours must first obtain the written approval of the classroom teacher. Requesting a conference, school visit, or classroom visit at least one (1) school day in advance does not guarantee parents/visitors requested date. The teacher and/or the principal/designee may identify a different date or time based upon the educational program and schedule for the teacher, students, and/or principal. When multiple classroom visits are requested or there are concerns with disruption to the educational program, AEA may require the written permission of the teacher and the principal/designee prior to the visit.
2. All visitors shall utilize AEA's automated sign in immediately upon entering any school building or grounds during regular school hours. When registering, the visitor is required to provide his/her name and the purpose for entering school grounds. For purposes of school safety and security, the principal or designee may design a visible means of identification for visitors while on school premises and require additional information, such

as address, age, and/or proof of identity. In the event that the automated system is not functioning, all visitors will be required to sign in at the front office.

3. A principal or designee may refuse to register a visitor if it is believed that the presence of the visitor would cause a threat of disruption or physical injury to teachers, other employees, or students.

4. A principal or designee may withdraw consent to be on campus even if the visitor otherwise has a right to be on campus whenever there is reason to believe that the person has willfully disrupted or is likely to disrupt the school's orderly operation. If consent is withdrawn by someone other than the principal, the principal may reinstate consent for the visitor if the principal believes that the person's presence will not constitute a disruption or substantial and material threat to the school's orderly operation. Consent cannot be withdrawn for more than fourteen (14) days. AEA can implement visitation restrictions, as needed, to ensure a safe school environment that is free from disruption.

5. The principal or designee may request that a visitor who has failed to register, or whose registration privileges have been denied or revoked, promptly leave school grounds. When a visitor is directed to leave, the principal or designee shall inform the visitor that if he/she reenters the school without following the posted requirements he/she will be guilty of a misdemeanor.

6. The principal or designee shall seek the assistance of the police in dealing with or reporting any visitor in violation of this policy.

B. Communication

AEA encourages parents to communicate via email. School staff and administration will generally respond to emails within forty-eight (48) hours, not including weekends or holidays. While email communication is encouraged, emailing staff and administration is a privilege, not a right. Parents or guardians who send excessive emails or emails that contain threatening language, foul language or curse words, harassing language, or otherwise inappropriate language, may be required to meet with administration and agree to alternative methods of communication.

The same caution is advised when using the telephone, written notes or letters, or student planners for communication. Parents who abuse these forms of communication by including threatening language, foul language or curse words, harassing language, or otherwise inappropriate language, may be required to meet with administration and agree to alternative methods of communication. For concerns or complaints, parents are encouraged to meet with administration and/or follow complaint policies.

C. Removal

If a visitor, including a parent or guardian, does not leave after being asked or returns without following the posted requirements after being directed to leave, he/she will be guilty of a crime which is punishable by a fine of up to \$1,000.00 or imprisonment in the County jail for a period of up to six (6) months or both. Additionally, further conduct of this nature by the visitor may lead to the School's pursuit of a restraining order against such visitor which would prohibit him/her from coming onto school grounds or attending School activities for any purpose for a period of three (3) years.
